In terms of the [AIFM Directive](#), the BRRD, the [CRD](#), the [MIFID Directive](#) and the [UCITS Directive](#), the competent authority may use its powers for the purposes of cooperation even in cases where the conduct under investigation does not constitute an infringement of any provisions of this Act, regulations, Investment Services Rules or Conduct of Business Rules issued thereunder:

Provided that the competent authority shall communicate information to other European regulatory authorities where this is relevant for monitoring and responding to the potential implications of the activities of an individual AIFM or AIFMs collectively, for the stability of systemically relevant investment services licence holders and the orderly functioning of markets on which AIFMs are active. (7) Where the competent authority receives confidential information from contact points in the other Member States or EEA States or from overseas regulatory authorities or auditors under articles 17D and 18, or when other bodies or natural or legal persons receive confidential information from the competent authority, they may only use such confidential information in the course of their duties, in particular:
