## MALTA FINANCIAL SERVICES AUTHORITY

### **Circular to credit institutions including branches on the resubmissions of COREP/FINREP templates through the MFSA Web Portal**

1. Reporting agents are reminded that for the purpose of submitting supervisory data, all templates should be uploaded onto the Web Interphase provided by the Authority [www.lhportal.mfsa.com.mt](http://www.lhportal.mfsa.com.mt).

Kindly refrain from using e-mail for the submission of such templates.

2. From reference date **January 2015**, resubmission of **revised** COREP/FINREP templates should only be sent through the MFSA Web portal using the current naming convention and adding ‘\_REV##’ (# stands for a digit from 0 to 9). Through this process, a bank may submit the relevant revised templates and not the complete set (unless required).

As an example, the 4<sup>th</sup> revision of a number of templates within the own funds folder should read as follows:

BankCode\_Date\_IND\_COREP\_CA\_REV04

Should you have any queries with respect to the above, please do not hesitate to contact Ms Caroline Porter ([cporter@mfsa.com.mt](mailto:cporter@mfsa.com.mt)) or Ms Roberta Darmanin ([rdarmanin@mfsa.com.mt](mailto:rdarmanin@mfsa.com.mt))
