

17 December 2019

Circular in relation to the amendment of the Delegated Regulation (EU) 2019/2100 with regards to updates of the taxonomy to be used for the single electronic reporting format

Background

Reference is made to the [Circular](#) dated 02 October 2019, whereby the industry has been informed that on 30 September 2019, the draft amendment to the ESEF Regulation had been adopted by the European Commission. We are pleased to inform the industry that yesterday, on 16 December 2019, the 2019 Amendment to the ESEF Regulation (Commission Delegated Regulation 2019/2100) has been officially published in the Official Journal. The adopted text can be accessed through the following [link](#) or from the MFSA website under the following path: *Capital Markets/Continuing Obligations/Commission Regulations*.
