

CHAPTER 8

Admissibility requirements for Collective Investment Schemes

General

- 8.1 This Chapter sets out the requirements for the Admissibility to Listing of Units in Collective Investment Schemes (open ended and closed ended) whether established in Malta or outside the territory of Malta. Applications will be considered in respect of both existing and newly formed Schemes, whether these are established as single-class funds or umbrella funds.

Section I of this Chapter deals with the Application Procedures and Requirements to be complied with by open ended Schemes seeking authorisation for Admissibility for Listing but which are not meant for trading on the Regulated Market.

Section II deals with the Continuing Obligations of open ended Schemes authorised as Admissible for Primary Listing but which are not traded on the Regulated Market.

Section III deals with the Continuing Obligations of open ended Schemes authorised as Admissible for Secondary Listing but which are not traded on the Regulated Market.

Section IV of this Chapter deals with the Application Procedures and Requirements that shall be complied with by closed ended Schemes seeking authorisation for Admissibility for Listing.

Section V deals with the Continuing Obligations of closed ended Schemes authorised as Admissible for Listing.

- 8.2 In order to qualify for a listing, a scheme shall be duly licensed by the Malta Financial Services Authority pursuant to the provisions of the Investment Services Act or established in a Recognised Jurisdiction. For the purpose of this Chapter of the Capital Markets Rules, Recognised Jurisdiction shall be construed as including the following:

- a. EU Member States
- b. EEA Member States
- c. Signatories to a multilateral Memorandum of Understanding covering the securities sector, to which the MFSA is a signatory;
- d. Signatories to a bilateral Memorandum of Understanding with the MFSA covering the securities sector

In the case of [c] and [d] above, such jurisdiction must have appropriate legislative measures for the establishment and regulation of collective investment schemes. For this purpose, account will be taken of that country's membership of any international organisation recognised as laying down internationally accepted standards for the regulation of collective investment schemes such as the International Organisation of Securities Commissions.

- 8.3 In cases involving new Applicants for authorisation for Admissibility to Listing or the existence of exceptional circumstances, applicants are encouraged to contact the MFSA at the earliest opportunity prior to listing to seek informal guidance as to the authorisation for Admissibility to Listing of a particular Scheme. Such guidance will be treated by the MFSA in strict confidence.

- 8.4 The MFSA requires every application for the authorisation for Admissibility to Listing of any such Scheme to be supported by a Prospectus. For the purpose of this Chapter, the term Prospectus shall be construed as also referring to an offering memorandum.

- 8.5 All the requirements in this Chapter will apply to every application for the authorisation for Admissibility to Listing of a new class of Unit in a Scheme where such a Scheme has already been previously authorised for Admissibility to Listing, as if it were a new Applicant.

**Section I - Application Procedures and Requirements for open ended Schemes seeking
Authorisation for Admissibility for Listing**

Preliminary

- 8.6 All Applicants shall appoint a Sponsor in accordance with the requirements of Chapter 2 of the Capital Markets Rules. Besides fulfilling the obligations laid down in Chapter 2, the Sponsor will be responsible for preparing the applicant for authorisation for Admissibility to Listing and for dealing with the MFSA on all matters arising in connection with the application.
- 8.7 When considering an application for authorisation for Admissibility to Listing, the MFSA reserves the right to assess each case on its own merits.

Conditions to be fulfilled by a Scheme seeking authorisation for Admissibility for Listing

- 8.8 The following conditions shall be fulfilled by a Scheme:
- 8.8.1 The Units offered by the Scheme shall be freely transferable.
- 8.8.2 The number of Directors of a Scheme shall at least be one (1). In order to ensure the protection of investors at least one Director shall be independent of the Manager or of any Investment Adviser to the Scheme or of any affiliated entity.
- 8.8.3 Corporate Directors are not eligible, unless the Corporate Director is the Manager of the Scheme. The Corporate Director shall not be the sole director of the Scheme.
- 8.8.4 A Scheme shall adopt rules governing dealings by Directors which will preclude them from dealing in the listed Units of the Scheme at a time when they are in possession of price-sensitive information.
- 8.8.5 Copies of the Directors' service contracts, if any, shall be made available to the general public for inspection at the time of the Annual General Meeting (AGM) of the Scheme.
- 8.8.6 Any other activity of the Directors, Manager or Investment Adviser should not result in the Scheme being disadvantaged in any way due to possible conflicts of interest between their obligations arising as a result of such activities and their obligations to the Scheme.
- 8.8.7 Directors and proposed Directors, and in the case of a Unit Trust, the Directors of the Manager, will be personally responsible for the information contained in the Prospectus.
- 8.8.8 The Directors of the Scheme, and the Manager, shall acknowledge to the MFSA in writing that they accept full responsibility collectively and individually for the Scheme's compliance with all the MFSA's requirements and continuing obligations, whether in terms of these Capital Markets Rules or otherwise.

- A Scheme applying for admissibility to Secondary Listing, must satisfy the MFSA that it is in compliance with the requirements pertaining to its primary Listing and that its Directors are held in good-standing by the competent authority in the jurisdiction where it has a Primary Listing. In satisfaction of this condition the applicant shall provide the MFSA with a declaration to this effect from the relevant competent authority.
- 8.11 The Sponsor shall communicate to the MFSA any event or arrangement of which he is aware, and which, in his/her opinion, is relevant to the authorisation for Admissibility of the Scheme to listing or if the Sponsor is not aware of any such event or arrangement, an appropriate negative statement to this effect.

- 8.16 Where during the process of authorisation any document is amended after submission, a copy of the amended document shall be submitted to the MFSA for review, marked in the margin to indicate where the relevant items for the Admissibility requirements have been complied with in respect of the amendments. The copy shall also be marked in the margin to indicate any amendments introduced in order to conform with points raised by the MFSA.
- 8.17 The Prospectus and supplements shall require the formal approval of the MFSA. No amendment to the authorised Prospectus will be allowed without the consent of the MFSA. The Prospectus shall not be published unless they are formally authorised by the MFSA in their final form in accordance with these Capital Markets Rules.
- 8.18 Each copy of the prospectus shall contain an application form which may be used by investors to apply for the Units to be offered.

General Obligation of Disclosure

- 8.23 Every Scheme applying for authorisation for Admissibility to Primary Listing is required to comply with the continuing obligations as set out in this Section II of this Chapter and to which they would be subject as a condition of the Authorisation for Admissibility to Listing of the Units in the Scheme except insofar as the Scheme is specifically exempt from any such obligations by the MFSA.
- 8.24 The MFSA may be prepared to dispense with, vary or not require compliance with any of the continuing obligations to suit the circumstances of a particular case. Any such dispensation, variation or concession shall be signified to the Applicant or Issuer by the MFSA in writing.
- 8.25 Generally, and apart from compliance with all specific requirements which follow, any information necessary to enable holders of the Scheme's Units authorised as admissible to Listing as well as the general public to appraise the financial position of the Scheme and to avoid the creation of a false market in such Units, shall be made known to the MFSA. Such information shall not normally be passed on to a third party other than its Manager, custodian and advisers prior to it being communicated to the MFSA.
- 8.25.1 A Scheme, its management Company, its custodian and its advisers, may give information concerning the Scheme in strict confidence to outside advisers and to persons with whom it is negotiating with a view to the raising of finance. Information required by and provided in confidence to and for the purposes of a regulatory authority, need not be communicated to the MFSA unless so required by the MFSA.
- 8.25.2 Where it is being proposed to announce information which might affect the market price of the Scheme's Units that have been authorised as admissible to Listing at any meeting of holders of those Units, or any class thereof, arrangements shall be made with the Regulated Market so that an announcement is immediately made known to the market.
- 8.25.3 A Scheme shall give notice to the MFSA of any major new developments in its sphere of activity which are not yet public knowledge and which, by virtue of their effect on its assets and liabilities or financial position or on the general course of its business, may lead to substantial movements in the price or value of its Units.
- 8.25.4 The Scheme shall update its Prospectus whenever there are material changes in the contents or when the MFSA so requires. Every subsequent Prospectus issued by or on behalf of the Scheme shall contain a statement that the Units which have already been issued are authorised as Admissible to Listing.

In particular, it shall inform such holders of the holding of meetings which they are entitled to attend, enable them to exercise their right to vote where applicable and publish notices or distribute circulars giving details of the allocation and payment of dividends or interest or otherwise in respect of such Units.
- 8.29 Whenever holders are sent a notice of a meeting which includes any business other than Ordinary Business at an Annual General Meeting, an explanatory circular shall accompany the notice or, if the business is to be considered at or on the same day as an Annual General Meeting, an explanation shall be incorporated in the Directors' report. Drafts of these documents should be submitted to the MFSA in advance of the issue to holders.
- 8.30 If appropriate, a proxy form shall be sent with the notice convening the meeting of holders of listed Units to each person entitled to vote at the meeting.
- 8.31 In the event of a Circular being issued to the holders of any particular class of Unit, the Scheme shall issue a copy or summary of such Circular to the holders of all other classes of Units unless the contents of such Circulars are manifestly irrelevant to such other holders.

Investors who have already agreed to purchase or subscribe for the units before the supplement is published shall have the right to withdraw their acceptances within two working days after the publication of the supplement, provided that the new factor, mistake or inaccuracy referred to above arose before the final closing of the Public Offer and the delivery of the securities. That period may be extended by the Issuer. The final date of the right of withdrawal shall be stated in the supplement.
- 8.66 In the case of an Offering Programme, the base Prospectus, previously filed, shall be valid for a period of up to 12 months.
- 8.67 A registration document, previously filed, shall be valid for a period of up to 12 months provided that it has been updated in accordance with Capital Markets Rule 8.65.
- 8.68 Once approved, the Prospectus shall be filed with the MFSA and shall be made available to the public by the Applicant at the latest six (6) Working Days before the securities involved are Admitted to Trading. In addition, in the case of an initial public offer of a class of shares not already Admitted to Trading on a Regulated Market that is seeking Admissibility to Listing for the first time, the Prospectus shall be available at least six (6) Working Days before the offer opens.
- 8.69 In the case of a Prospectus comprising several documents and/or incorporating by reference, the documents and information making up the Prospectus may be published and circulated separately provided that the said documents are made available to the public, free of charge. Each document shall indicate where the other constituent documents of the full Prospectus may be obtained.
- 8.70 The text and the format of the Prospectus and any supplements thereto, made available to the public, shall at all times be identical to the original version approved by the MFSA.
- 8.71 Where the Prospectus is made available by publication in electronic form, a hard copy shall nevertheless be delivered to the investor, upon his request and free of charge, by the Scheme, the person asking for admission to trading or the financial intermediaries placing or selling the units.
- 8.72 Where Malta is the home Member State and an admission to trading is provided for in one or more Member State, other than Malta or EEA State, the Prospectus approved by the MFSA and any supplements thereto shall be valid in any number of host Member States or EEA States, provided that the regulatory authority of each host Member State or EEA State is notified in accordance with Capital Markets Rule 8.73 below.
- 8.73 The MFSA shall provide the regulatory authority of the host Member State or EEA State, at the request of the Scheme or the person responsible for drawing up the Prospectus and within three Working Days following that request or, if the request is submitted together

The same procedure shall be followed for any supplement to the Prospectus. The MFSA shall also notify the Issuer or the person responsible for the drawing up the Prospectus of the certificate of approval at the same time it notifies the regulatory authority of the host Member State or EEA State.

For the purposes of this Capital Markets Rule, the certificate of approval shall consist of a statement:

- 8.73.1 that the Prospectus has been drawn up in accordance with the Prospectus Regulation;
- 8.73.2 that the Prospectus has been approved in accordance with the Prospectus Regulation, by the MFSA or the regulatory authority of the Member State or EEA state, as the case may be, providing the certificate; and where applicable
- 8.73.3 of the reasons as to why the MFSA or the regulatory authority providing the certificate, authorised, in accordance with the Prospectus Regulation, the omission from the Prospectus of information which would otherwise have been included.

8.74 A Prospectus in relation to an admission to trading which has been approved by the regulatory authority of another Member State, other than Malta, or an EEA State is not deemed to be an approved Prospectus unless that authority has provided the MFSA with a certificate of approval and a copy of the Prospectus as approved; together with, where requested by the MFSA, a translation into English or Maltese of the summary of the Prospectus.

**Section V - Continuing Obligations of closed ended collective investment schemes
Authorised as Admissible for Primary Listing**

In order to qualify for a listing, a scheme shall be duly licensed by the Malta Financial Services Authority pursuant to the provisions of the Investment Services Act or established in a Recognised Jurisdiction.

Once a Scheme is authorised as Admissible to Listing and remains on a Recognised List, the Scheme shall be responsible for ensuring compliance with the continuing obligations of these Capital Markets Rules at all times.

The Scheme shall comply with the continuing obligations to provide information and if it fails to do so, the MFSA may itself publish any relevant information it may have in its possession after having heard the representation of the Scheme.

For the purposes of this Section “Home Member State” shall have the same meaning given in Chapter 5. The Scheme shall disclose the choice of its Home Member State where applicable in terms of Chapter 5.

General Obligation of Disclosure

8.75 Every Scheme applying for authorisation for Admissibility to Listing is required to comply with the continuing obligations as set out in this Section V of this Chapter and to which they would be subject as a condition of the Authorisation for Admissibility to Listing of the Units in the Scheme except insofar as the Scheme is specifically exempt from any such obligations by the MFSA.

8.76 The MFSA may be prepared to dispense with, vary or not require compliance with any of the continuing obligations to suit the circumstances of a particular case. Any such dispensation, variation or concession shall be signified to the Applicant or Issuer by the MFSA in writing.

8.77 Generally, and apart from compliance with all specific requirements which follow, any information necessary to enable holders of the Scheme’s Units authorised as admissible to Listing as well as the general public to appraise the financial position of the Scheme and to avoid the creation of a false market in such Units, shall be made known to the MFSA. Such information shall not normally be passed on to a third party other than its Manager, custodian and advisers prior to it being communicated to the MFSA.

8.77.1 A Scheme, its management Company, its custodian and its advisers, may give information concerning the Scheme in strict confidence to outside advisers and to persons with whom it is negotiating with a view to the raising of finance. Information required by and provided in confidence to and for the purposes of a regulatory authority, need not be communicated to the MFSA unless so required by the MFSA.

8.77.2 Where it is being proposed to announce information which might affect the market price of the Scheme’s Units that have been authorised as admissible to Listing at any meeting of holders of those Units, or any class thereof, arrangements shall be made with the Regulated Market so that an announcement is immediately made known to the market.

8.77.3 A Scheme shall give notice to the MFSA of any major new developments in its sphere of activity which are not yet public knowledge and which, by virtue of their effect on its assets and liabilities or financial position or on the general course of its business, may lead to substantial movements in the price or value of its Units.

8.77.4 The Scheme shall update its Prospectus whenever there are material changes in the contents or when the MFSA so requires. Every subsequent Prospectus issued by or on behalf of the Scheme shall contain a statement that the Units which have already been issued are authorised as Admissible to Listing.

The voting rights shall be calculated on the basis of all the units to which voting rights are attached even if the exercise thereof is suspended.

This information shall also be given in respect of all the units which are in the same class and to which voting rights are attached.

8.139 The Scheme and the MFSA shall also be notified by a Unit holder when its holding in the Scheme reaches, exceeds or falls below the thresholds specified in the Capital Markets Rule 8.138, as a result of events changing the breakdown of voting rights. Where the Scheme is incorporated in a third country, the notification shall be made for equivalent events.

The Scheme shall make a Company Announcement disclosing the total number of voting rights and capital at the end of the relevant calendar month during which an increase or decrease of such total number has occurred. The threshold referred to in Capital Markets Rule 8.138 shall be calculated on the basis of this public information.

8.140 Capital Markets Rule 8.138 shall not apply to:

8.140.1 shares acquired for the sole purpose of clearing and settling within the usual short settlement cycle, not exceeding three trading days following the execution for the transaction

Provided that the above shall apply with regards to transactions lasting for a short period and the voting rights attaching to such units are not exercised.

8.141 A Market Maker shall be exempted in terms of Capital Markets Rule 8.140.2 provided that such Market Maker:

8.141.1 is authorised by its home member state under Directive 2004/39/EC;

8.141.2 does not intervene in the management of the Scheme concerned

8.141.3 does not exert any influence on the Scheme to buy such units or back the unit price; and

8.141.4 notifies the MFSA within the time limit laid down in Capital Markets Rule 8.157 that it conducts or intends to conduct market making activities on a particular Scheme.

8.142 Where the Market Maker ceases to conduct market making activities in relation to the Scheme concerned, it shall notify the MFSA accordingly.

8.143 The MFSA may require the Market Maker undertaking market making activities with respect to units of a Scheme whose Home Member State is Malta, as referred to in Capital Markets Rule 8.140.3, to identify the units or financial instruments held for market making activity purposes, in which case the Market Maker may make such identification by any verifiable means.

- 8.144 If the Market Maker is unable to identify the units or financial instruments concerned, the MFSA may require him to hold them in a separate account for identification purposes.
- 8.145 Where Malta is the Home Member State, voting rights held in the trading book, as defined in Article 11 of Directive 2006/49/EC on the capital adequacy of investment firms and credit institutions, of a credit institution or investment firm shall not be counted for the purposes of Capital Markets Rule 8.138 provided that:

Voting rights attached to units acquired for stabilisation purposes in accordance with Commission Regulation (EC) No 2273/2003 implementing Directive 2003/6/EC as regards exemptions for buy-back programmes and stabilisation of financial instruments, shall not be counted for the purposes of Capital Markets Rule 8.138 provided the voting rights attached to those units are not exercised or otherwise used to intervene in the management of the Scheme.
- 8.146 The notification requirement defined in Capital Markets Rule 8.138 shall also apply to a natural person or Legal Entity who:
- 8.146.1 is entitled to acquire, to dispose of, or to exercise voting rights in any of the following cases or a combination of them:

- 8.146.1.8 voting rights which that person or entity may exercise as a proxy where the person or entity can exercise the voting rights at its discretion in the absence of specific instructions from the Unit holders.
- 8.147 The obligation to notify the Scheme in terms of Capital Markets Rule 8.138 shall be an individual obligation incumbent upon each unitholder, or each natural person or Legal Entity as referred to in Capital Markets Rule 8.146, or both in case the proportion of voting rights held by each party reaches, exceeds or falls below the thresholds laid down in Capital Markets Rule 8.138. In the circumstances, however, referred to in Capital Markets Rule 8.146.1.1 the said notification obligation shall be a collective obligation shared by all the parties to the agreement.
- 8.148 In the circumstances referred to in Capital Markets Rule 8.146.1.8, if a unitholder gives the proxy in relation to one unitholder meeting, notification may be made by means of a single notification when the proxy is given provided it is made clear in the notification what the resulting situation in terms of voting rights will be when the proxy may no longer exercise the voting rights at its discretion.
- 8.149 If in the circumstances referred to in Capital Markets Rule 8.146.1.8 the proxy holder receives one or several proxies in relation to one unitholder meeting, notification may be made by means of a single notification on or after the deadline for receiving proxies provided that it is made clear in the notification what the resulting situation in terms of voting rights will be when the proxy may no longer exercise the voting rights at its discretion.
- 8.150 When the duty to make notification lies with more than one natural person or Legal Entity, notification may be made by means of a single common notification but this does not release any of those persons from their responsibilities in relation to the notification.
- 8.151 A natural or Legal Entity shall make a notification in terms of Capital Markets Rule 8.138 in respect of the following financial instruments held by such person, directly or indirectly:
- 8.151.1 financial instruments that, on maturity, give the holder, under a formal agreement, either the unconditional right to acquire or the discretion as to his right to acquire, shares to which voting rights are attached, already issued, of an issuer whose shares are admitted to trading on a regulated market;
 - 8.151.2 financial instruments which are not included in Capital Markets Rule 5.151.1 but which are referenced to shares and which have the economic effect similar to the financial instruments referred to in Capital Markets Rule 5.151.1, whether or not they confer a right to a physical settlement.
- 8.151A The notification required shall include the breakdown by type of financial instruments held in accordance with Capital Markets Rules 5.151.1 and 5.151.2, distinguishing between the financial instruments which confer a right to a physical settlement and the financial instruments which confer a right to a cash settlement.
- 8.151B The number of voting rights shall be calculated by reference to the full notional amount of shares underlying the financial instrument except where the financial instrument provides exclusively for a cash settlement, in which case the number of voting rights shall be calculated on a “delta-adjusted” basis, by multiplying the

notional amount of underlying shares by the delta of the instrument. For this purpose, the holder shall aggregate and notify all financial instruments relating to the same underlying issuer. Only long positions shall be taken into account for the calculation of voting rights. Long positions shall not be netted with short positions relating to the same underlying issuer.

- 8.152 For the purposes of Capital Markets Rule 8.151:
“qualifying financial instruments” means transferable securities and options, futures, swaps, forward rate agreements, contracts for differences, any other contracts or agreements with similar economic effects which may be settled physically or in cash.

- 8.154 If a qualifying financial instrument relates to more than one underlying share, a separate notification shall be made to each Issuer of the underlying shares.
- 8.154A The notification required shall also apply to natural person and Legal Entity when the number of voting rights held directly or indirectly by such person or entity under Capital Markets Rules 8.138 and 8.146 aggregated with the number of voting rights relating to financial instruments held directly or indirectly under Capital Markets Rule 8.151 reaches, exceeds or falls below the thresholds set out in Capital Markets Rule 8.138.

 - 8.155.5 for instruments with an exercise period:
 - 8.155.6 an indication of the date or time period where shares will or can be acquired, if applicable;

- 8.155B Voting rights relating to financial instruments that have already been notified in accordance with Capital Markets Rule 8.151 shall be notified again when the natural

person or the Legal Entity has acquired the underlying shares and such acquisition results in the total number of voting rights attached to shares issued by the same issuer reaching or exceeding the thresholds laid down by Capital Markets Rule 8.138.

8.156 The notification required under Capital Markets Rule 8.138 shall include the following information:

- 8.156.1 the resulting position in terms of voting rights;

- 8.156.3 the date on which the threshold was reached or crossed; and
- 8.156.4 the identity of the Unit holders, even if that Unit holder is not entitled to exercise voting rights under the conditions laid down in Capital Markets Rule 8.146, and of the natural person or Legal Entity entitled to exercise voting rights on behalf of that Unit holders.

8.157 The notification to the Scheme referred to in Capital Markets Rule 8.156 shall be effected promptly, but not later than four trading days following the date on which the Unit holder, or the natural person or Legal Entity representing the Unit holder:

- 8.157.1 learns of the acquisition or disposal or of the possibility of exercising voting rights, or on which, having regard to the circumstances, should have learned of it, regardless of the date on which the acquisition, disposal or possibility of exercising voting rights takes effect; or

“indirect instruction” means any general or particular instruction, regardless of the form, given by the Parent Undertaking, or another Controlled Undertaking of the Parent Undertaking, that limits the discretion of the management company or investment firm in relation to the exercise of the voting rights in order to serve specific business interests of the Parent Undertaking or another Controlled Undertaking of the Parent Undertaking.

8.162 The Parent Undertaking of a Management Company shall not be required to aggregate its holdings with the holdings managed by the Management Company under the conditions laid down in Directive 85/611/EEC, provided such management company exercises its voting rights independently from the Parent Undertaking.

8.162.2 the management company is free to exercise, independently of the parent undertaking, the voting rights attached to the assets it manages.

Where the parent undertaking, or another controlled undertaking of the parent undertaking, has invested in holdings managed by such Management Company and the Management Company has no discretion to exercise the voting rights attached to such holdings and may only exercise such voting rights under direct or indirect instructions from the parent or another controlled undertaking of the parent undertaking, the holdings of the parent undertaking shall be aggregated with its holdings through the Management Company.

8.163 The parent undertaking of an investment firm authorised under Directive 2004/39/EC shall not be required to aggregate its holdings with the holdings which such investment firm manages on a client-by-client basis within the meaning of Art 4(1), point 9, of Directive 2004/39/EC provided that:
