## Public Consultation on the Conditions for Listing on EU Public Markets

The European Commission has published a [call for evidence](#) and is seeking stakeholders' views on the conditions for listing on EU public markets. The consultation is divided between a [public consultation](#) aimed at the general public and a [targeted consultation](#) that is addressed to professional stakeholders or public authorities such as businesses, including SMEs, investors, stock exchanges, brokers and advisers.

This consultation is in line with the objectives of the Commission's Capital Markets Union Action Plan and is part of the Commission's initiative aimed at making the listing of both equity and non-equity securities on EU public markets more attractive for companies, in particular for SMEs.

The feedback period runs from 19 November 2021 to 11 February 2022. Stakeholders are encouraged to submit their views accordingly.
