2. RISK FACTORS

THE VALUE OF INVESTMENTS CAN GO UP OR DOWN AND PAST PERFORMANCE IS NOT NECESSARILY INDICATIVE OF FUTURE PERFORMANCE.

AN INVESTMENT IN THE BONDS INVOLVES CERTAIN RISKS INCLUDING THOSE DESCRIBED BELOW. PROSPECTIVE INVESTORS SHOULD CAREFULLY CONSIDER WITH THEIR OWN FINANCIAL AND OTHER PROFESSIONAL ADVISERS, THE FOLLOWING RISK FACTORS AND OTHER INVESTMENT CONSIDERATIONS AS WELL AS ALL THE OTHER INFORMATION CONTAINED IN THIS PROSPECTUS, BEFORE MAKING ANY INVESTMENT DECISION WITH RESPECT TO THE BONDS. SOME OF THESE RISKS ARE SUBJECT TO CONTINGENCIES WHICH MAY OR MAY NOT OCCUR AND THE ISSUER IS NOT IN A POSITION TO EXPRESS A VIEW ON THE LIKELIHOOD OF ANY SUCH CONTINGENCIES OCCURRING.

THE RISK FACTOR FIRST APPEARING BELOW CONSTITUTES THAT RISK FACTOR WHICH THE DIRECTORS HAVE ASSESSED TO BE THE MOST MATERIAL RISK FACTOR, AS AT THE DATE OF THIS SECURITIES NOTE. IN MAKING THIS ASSESSMENT OF MATERIALITY, THE DIRECTORS HAVE EVALUATED THE COMBINATION OF: (I) THE PROBABILITY THAT THE RISK FACTOR OCCURS; AND (II) THE EXPECTED MAGNITUDE OF THE ADVERSE EFFECT ON THE FINANCIAL CONDITION AND PERFORMANCE OF THE ISSUER, IF THE RISK FACTOR WERE TO MATERIALISE.

THE PROSPECTUS, THE DOCUMENTATION INCORPORATED BY REFERENCE HEREIN, AND, OR ANY OTHER INFORMATION SUPPLIED IN CONNECTION WITH BONDS ISSUED BY THE ISSUER:

VII. IS NOT INTENDED TO PROVIDE THE BASIS FOR ANY CREDIT OR OTHER EVALUATION;

VIII. IS NOT AND SHOULD NOT BE CONSIDERED AS A RECOMMENDATION BY THE ISSUER, THE DIRECTORS, ANY OF THE ADVISERS LISTED IN SECTION 4.1 OF THE REGISTRATION DOCUMENT, OR ANY OF THE AUTHORISED FINANCIAL INTERMEDIARIES, THE DOCUMENTATION INCORPORATED BY REFERENCE HEREIN, OR ANY OTHER INFORMATION SUPPLIED IN CONNECTION THEREWITH, THAT ANY RECIPIENT OF THIS PROSPECTUS SHOULD PURCHASE THE BONDS ISSUED BY THE ISSUER (AND THEREFORE PROSPECTIVE INVESTORS SHOULD MAKE THEIR OWN INDEPENDENT EVALUATION OF ALL RISK FACTORS, AND SHOULD CONSIDER ALL OTHER SECTIONS IN THIS SECURITIES NOTE); AND

IX. CONTAIN STATEMENTS THAT ARE, OR MAY BE DEEMED TO BE, “FORWARD-LOOKING STATEMENTS”.

2.1 FORWARD-LOOKING STATEMENTS

This Securities Note contains statements that are, or may be deemed to be, “forward-looking statements”. Forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes”, “estimates”, “forecasts”, “projects”, “anticipates”, “expects”, “envisages”, “intends”, “may”, “will”, or “should” or, in each case, their negative or other variations or comparable terminology. These forward-looking statements relate to matters that are not historical facts. They appear in a number of places within the Prospectus and include statements regarding the intentions, beliefs or current expectations of the Issuer and, or the Directors concerning, amongst other things, the Issuer’s strategy and business plans, financial condition and performance, results of operations, liquidity, prospects, investments, and the markets in which it operates.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may, or may not occur, in the future. Forward-looking statements are not guarantees of future performance and should therefore not be construed as such. The Issuer’s and, or the Group’s actual operational results, financial condition and performance, and trading prospects may differ materially from the impression created by the forward-looking statements contained in the Prospectus. In addition, even if the operational results, financial condition and performance, and trading prospects of the Issuer and, or the Group are consistent with the forward-looking statements contained in the Prospectus, those results or developments may not be indicative of results or developments in subsequent periods. Important factors that may cause these differences include, but are not limited to, those factors identified under this section 2 of this Securities Note and elsewhere in the Prospectus.

All forward-looking statements contained in this Securities Note are made only as at the date hereof. Subject to applicable legal and regulatory obligations, the Issuer and its Directors expressly disclaim any obligations to update or revise any forward-looking statement contained herein to reflect any change in expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

2.2 SUBORDINATED STATUS AND RANKING OF THE BONDS

The Bonds constitute subordinated and unsecured obligations of the Issuer. In the event of the dissolution and winding up of the Issuer, the claims of Bondholders in respect of the payment of capital and interest on the Bonds will be subordinated to the claims of all depositors and other unsubordinated secured and unsecured creditors of the Issuer.

If, on a dissolution and winding-up of the Issuer, the assets of the Issuer are insufficient to enable the Issuer to repay the claims of more senior ranking creditors in full, the Bondholders will lose their entire investment in the Bonds. If there are sufficient assets to enable the Issuer to pay the claims of senior-ranking creditors in full but insufficient assets to enable it to pay claims in respect of the Bonds and all other claims that rank *pari passu* with the Bonds, Bondholders may lose all or part (which may be a substantial portion of) of their investment in the Bonds.

The same principles could apply to the Issuer where the relevant resolution authority applies the appropriate powers of write-down or conversion of the Bonds (whether in the event of a resolution of the Issuer or in any other instances under applicable law), in which case it must respect the *pari passu* treatment of creditors and the statutory ranking of claims under the applicable insolvency law.

2.3 RISKS ASSOCIATED WITH RECOVERY AND RESOLUTION REGULATIONS

The Issuer is subject to the BRRD, which has been transposed into Maltese law mainly (but not only) through the R&R Regulations (the BRRD and the R&R Regulations are hereinafter collectively referred to as the "**BRRD Package**"). The BRRD Package is designed to provide competent authorities with a set of tools to intervene early and quickly in the affairs of an unsound or failing bank. Moreover, once a bank is declared as failing or likely to fail, the BRRD Package vests resolution authorities with tools and powers so as to ensure the continuity of the bank's critical financial and economic functions, whilst minimising the impact of a bank's failure on the economy and financial system. Resolution authorities may intervene using one or more resolution tools, actions and, or powers in the event that the conditions set out in the R&R Regulations are met, namely that: (a) a bank is failing or likely to fail; (b) there is no reasonable prospect that alternative private sector measures would prevent the failure of a bank; and (c) a resolution action is in the public interest.

The resolution authority established under Maltese law is the board of governors of the MFSA which has, in turn, appointed a resolution committee (the "**Resolution Committee**") which is responsible, *inter alia*, to apply resolution measures and such other powers as set out in the first schedule to the Malta Financial Services Authority Act (Cap. 330 of the laws of Malta). Under the R&R Regulations, the Resolution Committee has a very broad range of resolution tools, actions and, or powers in respect of the Issuer and the Bonds, including, amongst others, the power to write-down or convert the Bonds and to further employ a broad suite of other tools, including: (i) the sale of business tool, which enables the Resolution Committee to effect a sale of the whole or part of the business; (ii) the bridge institution tool, pursuant to which the Resolution Committee shall have the power to transfer to a bridge institution shares, other instruments of ownership, assets, rights and liabilities of the Issuer; (iii) the asset separation tool, which enables the transfer of assets, rights and liabilities to one or more asset management vehicles; and (iv) the bail-in tool, pursuant to which the Resolution Committee has a broad range of powers, including, the bailing in of unsecured creditors who will in turn bear the losses and other powers set out in the R&R Regulations.

The extent to which the Bonds may become subject to any resolution action (including those set out above) will depend on a number of factors and it is difficult to predict when, if at all, any such action can be taken, particularly since, as at the date of this Prospectus, none of the conditions for the adoption of resolution action by the Resolution Committee subsist with respect to the Issuer. Prospective investors should, nonetheless, consider the risk that, in the event that the Issuer becomes subject to a resolution action, the principal amount of the Bonds including any accrued but unpaid interest, may be written down or converted into equity and a broad range of other resolution actions (including those set out above) may be taken in respect of the Issuer.

2.4 ORDERLY AND LIQUID MARKET

The existence of an orderly and liquid market for the Bonds depends on a number of factors, including the presence of willing buyers and sellers of the Bonds at any given time. Such presence is dependent upon the individual decisions of investors over which the Issuer has no control. Securities admitted to trading on the Official List are often thinly traded. Accordingly, there can be no assurance that an active secondary market for the Bonds will develop, or, if it develops, that it will continue. Moreover, there can be no assurance that Bondholders will be able to sell the Bonds at or above the Bond Issue Price or at all. Furthermore, the requirement that the initial investment amount invested by a Retail Client (whose financial instrument portfolio, calculated in accordance with article 44A of the R&R Regulations, does not, at the time of the purchase, exceed €500,000) must be at least €10,000, could have an impact on the level of activity in the secondary market.

2.5 SUBSEQUENT CHANGES IN INTEREST RATE AND POTENTIAL IMPACT OF INFLATION

The Bonds are fixed rate debt securities. Investment in the Bonds involves the risk that subsequent changes in market interest rates may adversely affect the market value of the Bonds. Investors should be aware that because of the way yield is typically calculated by market participants, the price of fixed income securities (such as the Bonds) tends to move in a way that is inversely proportional to changes in interest rates. Accordingly, when prevailing market interest rates are rising, the prices that market participants will generally be willing to pay for the Bonds can be expected to decline. Conversely, if market interest rates are declining, secondary market prices for the Bonds can generally be expected to rise. Moreover, fixed rate debt securities with a longer period to maturity will tend to reflect a greater degree of secondary market price volatility relative to movements in market interest rates when compared to fixed rate debt securities with a shorter remaining life.

The coupon payable on the Bonds is a nominal interest rate. The real interest rate is computed by subtracting inflation from the nominal interest rate, the result of which indicates the real return on the Bond coupons. In a period of high inflation, an investor's real return on the Bonds will be lower than the Bonds' nominal interest rate and thus undermine an investor's expected return. Furthermore, an increase in inflation may result in a decrease in the traded price of the Bonds on the secondary market.

2.6 LIMITED RECOURSE

The Bonds are the obligations of the Bank only and do not establish any liability or other obligation of any other person mentioned in this Prospectus. Moreover, by purchasing the Bonds, each Bondholder agrees that the only remedy available to the Bondholders in the case of non-performance by the Bank of any of its obligations or any other breach by the Bank of the Terms and Conditions (including the non-payment of interest and principal) shall be the ability to petition for the winding-up of the Bank insofar as this is possible in terms of the applicable provisions of the Act. The Bondholders are not entitled to any other remedy in such cases. In this regard, Bondholders are not able to call an event of default or otherwise bring any enforcement action in respect of the Bank or its assets. The remedies under the Bonds are, therefore, more limited than those typically available to the Bank's other creditors.

2.7 ADDITIONAL INDEBTEDNESS

The Bonds do not restrict the Bank's ability to incur additional indebtedness (including through the issuance of additional bonds or other debt securities) or to secure that indebtedness in the future, which actions may negatively affect the Bank's financial position and its ability to make payments in respect of the Bonds, when due. Moreover, such indebtedness may have a prior ranking than the Bonds, in which case it could rank ahead of the Bonds in the event of a dissolution and winding up of the Bank.

2.8 EARLY REDEMPTION

The Bonds are redeemable in whole or in part at the option of the Issuer prior to the Redemption Date on any designated Early Redemption Date upon giving thirty (30) days' notice to the Bondholders, subject to obtaining the prior approval of MFSA. The feature allowing for optional redemption on a designated Early Redemption Date may condition the market value of the Bonds and there can be no guarantee that the Bondholders may be able to re-invest the proceeds of such redemption at equivalent or higher rates of return. Bondholders will have no right to request the redemption of the Bonds and should not invest in the Bonds in the expectation that the Issuer would exercise its option to redeem the Bonds. Any decision by the Issuer as to whether it will exercise its option to redeem the Bonds will be taken at the absolute discretion of the Issuer after taking into consideration factors such as, but not limited to, the economic impact of exercising such option to redeem the Bonds, any tax consequences, the regulatory requirements and the prevailing market conditions. Bondholders should be aware that they may be required to bear the financial risks of an investment in the Bonds until maturity.

2.9 COMPLEXITY

The Bonds are complex financial instruments, including as a result of their subordination and the potential resolution action which can be taken in respect thereof. Although the Bonds may only be sold to Retail Clients which pass the Suitability Test, potential investors should be aware that, even if they pass the Suitability Test and invest in the Bonds, said investment in the Bonds carries a high degree of risk.

THE FOREGOING RISK FACTORS ARE NOT EXHAUSTIVE AND DO NOT PURPORT TO BE A COMPLETE LIST OF ALL OF THE RISKS AND CONSIDERATIONS INVOLVED IN INVESTING IN THE BONDS. IN PARTICULAR, THE ISSUER'S PERFORMANCE MAY BE AFFECTED BY CHANGES IN MARKET OR ECONOMIC CONDITIONS AS WELL AS LEGAL, REGULATORY AND TAX REQUIREMENTS APPLICABLE TO THE ISSUER AND, OR THE BONDS.

3. PERSONS RESPONSIBLE, CONSENT FOR USE OF PROSPECTUS, AND STATEMENT OF APPROVAL

3.1 PERSONS RESPONSIBLE

The Directors of the Issuer are the persons responsible for the information contained in this Securities Note. To the best of the knowledge and belief of the Directors of the Issuer (who have all taken reasonable care to ensure such is the case), the information contained in this Securities Note is in accordance with the facts and does not omit anything likely to affect the import of such information. The Directors accept responsibility accordingly.

3.2 CONSENT FOR USE OF PROSPECTUS

For the purposes of any subscription for the Bonds through any of the Authorised Financial Intermediaries in terms of this Securities Note, and any subsequent resale, placement or other offering of Bonds by such Authorised Financial Intermediaries in circumstances where there is no exemption from the requirement to publish a prospectus under the Prospectus Regulation, the Issuer consents to the use of this Prospectus (and accepts responsibility for the information contained therein) with respect to any such subsequent resale, placement or other offering of Bonds, provided this is limited only:

- i. in respect of the Bonds subscribed for through the Authorised Financial Intermediaries listed in Annex II of this Securities Note;
- ii. to any resale or placement of the Bonds subscribed as aforesaid, taking place in Malta; and, or
- iii. to any resale or placement of the Bonds taking place within the period of 60 days from the date of the Prospectus.

There are no other conditions attached to the consent given by the Issuer hereby which are relevant for the use of the Prospectus.

None of the Issuer, the Sponsors, the Manager and Registrar, or any of their respective advisers, take any responsibility for any of the actions of any Authorised Financial Intermediary, including their compliance with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to a resale or placement of the Bonds.

Other than as set out above, neither the Issuer nor its advisers have authorised (nor do they authorise or consent to the use of this Prospectus in connection with) the making of any public offer of the Bonds by any person in any circumstances. Any such unauthorised offers are not made on behalf of the Issuer or the advisers and neither the Issuer nor the advisers have any responsibility or liability for the actions of any person making such offers.

Investors should enquire whether an intermediary is considered to be an Authorised Financial Intermediary in terms of the Prospectus. If the investor is in doubt as to whether it can rely on the Prospectus and, or who is responsible for its contents, it should obtain legal advice. No person has been authorised to give any information or to make any representation not contained in or inconsistent with this Prospectus. If given or made, it must not be relied upon as having been authorised by the Issuer or its advisers. The Issuer does not accept responsibility for any information not contained in this Prospectus.

In the event of a resale, placement or other offering of the Bonds by an Authorised Financial Intermediary, the Authorised Financial Intermediary shall be responsible to provide information to investors on the terms and conditions of the resale, placement or other offering at the time such is made.

4. ESSENTIAL INFORMATION ON THE BOND ISSUE

4.1 REASONS FOR THE ISSUE AND USE OF PROCEEDS

The aggregate proceeds from the Bond Issue will consist of:

- (a) an amount of up to €8,000,000 in the form of Exchangeable Bonds surrendered by Existing Bondholders in favour of the Issuer (including any Cash Top-Ups) by virtue of an Exchangeable Bond Transfer resulting in the purchase of Exchangeable Bonds from said Existing Bondholders by the Issuer, for cancellation (as at the date of the Prospectus the total value of Exchangeable Bonds in issue stands at €12,000,000); and
- (b) an amount of up to €6,000,000 through the Intermediaries' Offer.

Provided that in the event that less than €8,000,000 in the form of Exchangeable Bonds are purchased by the Issuer by way of Exchangeable Bond Transfer in terms of paragraph (a) above, the amount indicated in paragraph (a) above may consist of: (i) Exchangeable Bonds surrendered as aforesaid; (ii) proceeds from subscription for Bonds by Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer); and (iii) proceeds derived from the Intermediaries' Offer.

Provided further that in the event that not all of the Bonds made available through the Intermediaries' Offer referred to in paragraph (b) above are subscribed for, the amount indicated in paragraph (a) above shall be increased accordingly.

The aggregate proceeds from the Bond Issue will constitute an integral part of the Bank's capital plan, with a view to further strengthening its Tier 2 Capital requirements in terms of the CRR. Proceeds derived other than by Exchangeable Bond Transfer, as well as any amounts received through the exercise of the Cash Top-Up, will be used by the Bank to meet part of its general financing requirements.

The Bond Issue is subject to a minimum subscription amount of €5,000,000:

- i. should the Bond Issue be undersubscribed, such that the total subscriptions for Bonds do not equate to at least €5,000,000, the subscription for the Bonds shall be deemed not to have been accepted by the Issuer and all proceeds from Applicants shall be refunded accordingly, and the Bond Issue shall be cancelled forthwith; and
- ii. if, on the other hand, the Bond Issue is undersubscribed and the abovementioned minimum threshold of €5,000,000 is met, such that the total subscriptions for Bonds equate to at least €5,000,000 but are lower than €14,000,000, the Issuer shall proceed with the listing of the Bonds so subscribed for and shall apply the net proceeds from the Bond Issue received in the manner set out above.

4.2 EXPENSES

Professional fees, and costs related to publicity, advertising, printing, listing, registration, sponsor, management, registrar fees, selling commission, and other miscellaneous expenses in connection with this Bond Issue are estimated not to exceed €550,000 in the aggregate. There is no particular order of priority with respect to such expenses. The expenses pertaining to the Bond Issue shall be borne exclusively by the Issuer and shall be funded through the Issuer's own funds.

Save for the subscription for Bonds by Authorised Financial Intermediaries, and any fees payable in connection with the Bond Issue to M. Z. Investment Services Ltd and Rizzo, Farrugia & Co. The CSD will issue, upon a request by a Bondholder, a statement of holdings evidencing his or her entitlement to the Bonds held in the electronic register at the CSD.

Any person in whose name a Bond is registered may (to the fullest extent permitted by applicable law) be deemed and treated at all times, by all persons and for all purposes (including the making of any payments), as the absolute owner of such Bond. Title to the Bonds may be transferred as provided below under the heading "*Transferability of the Bonds*" in section 5.7 of this Securities Note.

5.5 MEETINGS OF BONDHOLDERS

The Issuer may, from time to time, call meetings of Bondholders for the purpose of consultation with Bondholders or for the purpose of obtaining the consent thereof on matters which in terms of the Prospectus require the approval of a Bondholders' meeting.

A meeting of Bondholders shall be called by the Directors by giving all Bondholders listed on the register of Bondholders as at a date being not more than 30 days preceding the date scheduled for the meeting, not less than 14 days' notice in writing. Said notice may be given by electronic mail, by post or by courier, at the discretion of the Issuer.

Such notice shall set out the place, date and time set for the meeting, and the matters to be discussed or decided thereat. Following a meeting of Bondholders held in accordance with the provisions contained hereunder, the Issuer shall, acting in accordance with the resolution(s) taken at the meeting, communicate to the Bondholders whether the necessary consent to the proposal made by the Issuer has been granted or withheld. Subject to having obtained the necessary approval by the Bondholders in accordance with the provisions of this section at a meeting called for that purpose as aforesaid, any such decision shall subsequently be given effect to by the Issuer.

Each Bond shall entitle the holder thereof to one vote. A meeting of Bondholders shall only validly and properly proceed to business if there is a quorum present at the commencement of the meeting. For this purpose at least two Bondholders present, in person or by proxy, representing not less than 50% in nominal value of the Bonds then in issue, shall constitute a quorum. If a quorum is not present within 30 minutes from the time scheduled for the commencement of the meeting as indicated on the notice convening same, the meeting shall stand adjourned to a place, date and time as shall be communicated by the Directors to the Bondholders present at that meeting. The Issuer shall, within two days from the date of the original meeting, publish by way of a company announcement the place, date and time where the adjourned meeting is to be held. An adjourned meeting shall be held not earlier than seven days, and not later than 15 days following, the original meeting. At an adjourned meeting: the number of Bondholders present, in person or by proxy, shall constitute a quorum; and only the matters specified in the notice calling the original meeting shall be placed on the agenda of, and shall be discussed at, the adjourned meeting.

Any person who in accordance with the Memorandum and Articles of Association of the Issuer is to chair the annual general meetings of shareholders shall also chair meetings of Bondholders.

Once a quorum is declared present by the chairman of the meeting, the meeting may then proceed to business and address the matters set out in the notice convening the meeting. In the event of decisions being required at the meeting the directors or their representative shall present to the Bondholders the reasons why it is deemed necessary or desirable and appropriate that a particular decision is taken. The meeting shall allow reasonable and adequate time to Bondholders to present their views to the Issuer and the other Bondholders present at the meeting. The meeting shall then put the matter as proposed by the Issuer to a vote of the Bondholders present at the time at which the vote is being taken, and any Bondholders taken into account for the purpose of constituting a quorum who are no longer present for the taking of the vote shall not be taken into account for the purpose of such vote. The voting process shall be managed by the Company Secretary of the Issuer.

The proposal placed before a meeting of Bondholders shall only be considered approved if at least 75% in nominal value of the Bondholders present at the meeting at the time when the vote is being taken, in person or by proxy, shall have voted in favour of the proposal. A matter decided at a duly convened Bondholders' meeting is binding on all Bondholders irrespective of whether they are present or not.

Save for the above, the rules generally applicable to proceedings at general meetings of shareholders of the Issuer shall *mutatis mutandis* apply to meetings of Bondholders.

The amendment or waiver of any of the Terms and Conditions of the Bond Issue contained in this Securities Note may only be made with the approval of Bondholders at a meeting called and held for that purpose in accordance with the terms hereof.

5.6 RANKING OF THE BONDS

The Bonds, as and when issued and allotted, shall constitute the subordinated and unsecured obligations of the Issuer and shall at all times rank *pari passu*, without any priority or preference among themselves, and with other subordinated debt of the Issuer, present and future, if any.

5.7 TRANSFERABILITY OF THE BONDS

The Bonds are freely transferable and, once admitted to the Official List, shall be transferable only in whole in accordance with the rules and regulations of the MSE applicable from time to time.

Any person becoming entitled to a Bond in consequence of the death or bankruptcy of a Bondholder may, upon such evidence being produced as may from time to time properly be required by the Issuer or the CSD, elect either to be registered himself as holder of the Bond or to have some person nominated by him registered as the transferee thereof. If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the CSD a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered he shall testify his election by transferring the Bond, or procuring the transfer of the Bond, in favour of that person.

All transfers and transmissions are subject in all cases to any pledge (duly constituted) of the Bonds and to any applicable laws and regulations.

The cost and expenses of effecting any registration of transfer or transmission, except for the expenses of delivery by any means other than regular mail (if any) and except, if the Issuer shall so require, the payment of a sum sufficient to cover any tax, duty or other governmental charge, or insurance charges, that may be imposed in relation thereto, will be borne by the transferee.

The Issuer will not register the transfer or transmission of Bonds for a period of fifteen (15) days preceding the due date for any payment of interest on the Bonds.

5.8 INTEREST

The Bonds shall bear interest from and including 15 September, 2022 at the rate of 5% per annum on the nominal value thereof, payable annually in arrears on each Interest Payment Date. The first interest payment will be effected on 15 September, 2023 (covering the period 15 September, 2022 to 14 September, 2023). Any Interest Payment Date which falls on a day other than a Business Day will be carried over to the next following day that is a Business Day.

When interest is required to be calculated for any period of less than a full year, it shall be calculated on the basis of a 360 day year consisting of 12 months of 30 days each, and in the case of an incomplete month, the number of days elapsed.

In terms of article 2156 of the Civil Code (Cap. 16 of the laws of Malta), the right of Bondholders to bring claims for payment of interest and repayment of the principal on the Bonds, is barred by the lapse of five years.

5.9 YIELD

The gross yield calculated on the basis of the Interest, the Bond Issue Price and the Redemption Value of the Bonds at the Redemption Date or a designated Early Redemption Date, shall be 5%.

5.10 PAYMENTS

Payment of the principal amount of Bonds will be made in Euro by the Issuer to the person in whose name such Bonds are registered as at the close of business on the Redemption Date or an Early Redemption Date, as the case may be, with interest accrued up to (but excluding) the Redemption Date or an Early Redemption Date, by means of direct credit transfer into such bank account as the Bondholder may designate from time to time, provided such bank account is denominated in Euro and held with any licensed bank in Malta. Such payment shall be effected within seven days of the Redemption Date or an Early Redemption Date. The Issuer shall not be responsible for any loss or delay in transmission. Upon payment of the Redemption Value the Bonds shall be redeemed and the appropriate entry made in the electronic register of the Bonds at the CSD.

In the case of Bonds held subject to usufruct, payment will be made against the joint instructions of all bare owners and usufructuaries. Before effecting payment, the Issuer and, or the CSD shall be entitled to request any legal documents deemed necessary concerning the entitlement of the bare owner(s) and the usufructuary(ies) to payment of the Bonds.

Payment of interest on the Bonds will be made to the person in whose name such Bonds is registered at the close of business fifteen (15) days prior to the Interest Payment Date, by means of a direct credit transfer into such bank account as the Bondholder may designate, from time to time, which is denominated in Euro and held with any licensed bank in Malta. Such payment shall be effected within seven days of the Interest Payment Date. The Issuer shall not be responsible for any loss or delay in transmission.

All payments with respect to the Bonds are subject in all cases to any applicable fiscal or other laws and regulations prevailing in Malta. In particular, but without limitation, all payments of principal and interest by or on behalf of the Issuer in respect of the Bonds shall be made net of any amount which the Issuer is or may become compelled by law to deduct or withhold for or on account of any present or future taxes, duties, assessments or other government charges of whatsoever nature imposed, levied, collected, withheld or assessed by or within the Republic of Malta or any authority thereof or therein having power to tax.

Except for any charges which may be imposed by the Issuer or any remitting bank or payment institution in connection with the transmission of payments or transfer of funds, no commissions or expenses shall be charged by the Issuer to Bondholders in respect of such payments.

If, due to any obstacle attributable to the CSD, any remitting bank and, or payment institution, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed.

5.11 REDEMPTION AND PURCHASE

Unless previously purchased and cancelled, the Bonds will be redeemed at their nominal value (together with interest accrued to the date fixed for redemption) on the Redemption Date, or, earlier, on a designated Early Redemption Date.

In addition to the possibility of early redemption on any Early Redemption Date, the Issuer may at any time purchase Bonds in the open market or otherwise at any price subject always to compliance with the applicable requirements of the CRR, including the relevant provisions set out in article 77 and 78 of the CRR.

All Bonds repurchased by the Issuer shall be cancelled forthwith and may not be reissued or re-sold.

5.12 ACCELERATION

In the event that a winding-up order is made or resolution passed by the general meeting for the dissolution, liquidation, or winding-up of the Issuer in the instances, and to the extent permitted by the Act (an “**Acceleration Event**”), the Bonds shall immediately fall due and payable at the Redemption Value, together with interest accrued up to the date of repayment, if any. Upon the occurrence of such an Acceleration Event, all rights available to the Bondholders shall rank after all other unsubordinated and unsecured obligations of the Issuer.

In the event that the Issuer becomes subject to a bail-in (as further described in the risk factor found in section 2 of this Securities Note entitled ‘*Risks associated with Recovery and Resolution Regulations*’), this shall not constitute an Acceleration Event.

5.13 AUTHORISATIONS AND APPROVALS

The Board of Directors of the Issuer authorised the Bond Issue pursuant to a board of directors’ resolution passed on 6 July, 2022.

5.14 NOTICES

Notices will be mailed to Bondholders at their registered addresses and shall be deemed to have been served at the expiration of twenty-four (24) hours after the letter containing the notice is posted, and in providing such service it shall be sufficient to prove that a prepaid letter containing such notice was properly addressed to such Bondholder at his or her registered address and posted.

5.15 FURTHER ISSUES

The Issuer may, from time to time, without the consent of the Bondholders, create and issue further debentures, debenture stock, bonds, loan notes, or any other debt securities, either having the same terms and conditions as any outstanding debt securities of any series (including the Bonds) and so that such further issue shall be consolidated and form a single series with the outstanding debt securities of the relevant series (including the Bonds), or upon such terms as the Issuer may determine at the time of their issue.

The following terms and conditions shall be read in conjunction with all the other terms and conditions relative to and regulating the contractual relationship created between the Issuer and the Applicant on the other.

6.2.1 The issue and allotment of the Bonds is conditional upon: (i) a minimum subscription amount of €5,000,000; and (ii) the Bonds being admitted to the Official List of the MSE. In the event that condition (i) and, or (ii) is not satisfied, any Application monies (including Cash Top-Ups or Excess) received by the Issuer will be returned without interest by direct credit into the Applicant’s bank account indicated by the Applicant on the relative Application.

6.2.2 Existing Bondholders applying for Bonds may elect to settle all or part of the amount due on the Bonds applied for (whether in whole or in part consideration for the Bonds being applied for) by completing a pre-printed Application Form, indicating that the consideration for the Bonds applied for shall be settled by way of transfer to the Issuer of all or part of the Exchangeable Bonds held as at the Cut-Off Date in an amount equivalent to the par value of the Bonds applied for (this being, the Exchangeable Bond Transfer), subject to a minimum application of €10,000. Any Existing Bondholders whose holding in Exchangeable Bonds is less than €10,000 shall be required to pay the Cash Top-Up together with the submission of their pre-printed Application Form.

6.2.3 By submitting a signed pre-printed Application Form indicating that the option of the Exchangeable Bond Transfer is being selected (whether in whole or in part consideration for the Bonds being applied for), the Applicant is thereby confirming:

- i. that all or part (as the case may be) of the Exchangeable Bonds held by the Applicant as at the Cut-Off Date are being transferred to the Issuer, together with the payment due in respect of any Cash Top-Up, if applicable;
- ii. that the pre-printed Application Form constitutes the Applicant's irrevocable mandate to the Issuer to: (a) cause the transfer of the said Exchangeable Bonds in the Issuer's name in consideration of the issue of Bonds; and (b) engage, at the Issuer's cost, the services of such brokers or intermediaries as may be necessary to fully and effectively vest title in the said Exchangeable Bonds in the Issuer and fully and effectively vest title in the appropriate number of Bonds in the Applicant;
- iii. that the obligations of the Issuer with respect to the Exchangeable Bonds being transferred to the Issuer are extinguished, replaced by obligations on the part of the Issuer under the Bonds to be issued upon acceptance by the Issuer of the Application in question; and
- iv. the matter specified in 6.2.6 below.

6.2.4 Authorised Financial Intermediaries participating in the Intermediaries' Offer are required to submit to the Registrar completed subscription agreements as described in more detail in section 6.4 below by latest 12:00 hours CET on 7 September, 2022. Authorised Financial Intermediaries may subscribe for Bonds either in their own name or in the name of underlying clients.

6.2.5 In the event that an Existing Bondholder has been allocated a number of Bonds which is less than the number applied for, Exchangeable Bonds equal in face value to the number of Bonds allocated to such Existing Bondholder shall be transferred to the Issuer as set out in 6.2.2. above, whereas the remaining Exchangeable Bonds held by the Existing Bondholder and representing the aggregate face value of Bonds applied for but not allocated shall be retained by the Existing Bondholder.

In the event that an Existing Bondholder applying for a number of Bonds exceeding in value the aggregate nominal value of Exchangeable Bonds held by them as at the Cut-Off Date has been allocated a number of Bonds which is less than the Excess applied for, then such Existing Bondholder shall receive a refund of the price of the Bonds applied for but not allocated. Such refund shall be without interest and shall be made by credit transfer to such account indicated in the Application Form, at the Existing Bondholder's sole risk on 23 September 2022.

In the event that Authorised Financial Intermediaries subscribing for Bonds through the Intermediaries' Offer have been allocated a number of Bonds which is less than the number applied for, then such Authorised Financial Intermediaries shall receive a refund of the price of the Bonds applied for but not allocated. Such refund shall be without interest and shall be made by credit transfer to such account indicated in the subscription agreement, at the Authorised Financial Intermediary's sole risk on 23 September 2022.

6.2.6 An Applicant applying for the Bonds is thereby confirming to the Issuer, the Registrar and the Authorised Financial Intermediary through whom the Application is made, as applicable, that the Applicant's remittance will be honoured on first presentation and agrees that, if such remittance is not so honoured on its first presentation, the Issuer and the Registrar reserve the right to invalidate the relative Application. Furthermore the Applicant will not be entitled to receive a registration advice or to be registered in the register of Bondholders, unless the Applicant makes payment in cleared funds and such consideration is accepted by the respective Authorised Financial Intermediary, Registrar and, or Issuer, as applicable, which acceptance shall be made in the Authorised Financial Intermediary, Registrar and, or Issuer's absolute discretion and may be on the basis that the Applicant indemnifies the Authorised Financial Intermediary, Registrar and, or Issuer against all costs, damages, losses, expenses and liabilities arising out of or in connection with the failure of the Applicant's remittance to be honoured on first presentation.

6.2.7 The contract created by the Issuer's acceptance of an Application filed by a prospective bondholder shall be subject to all the terms and conditions set out in this Securities Note and the Memorandum and Articles of Association of the Issuer. It is the responsibility of investors wishing to apply for the Bonds to inform themselves as to the legal requirements of so applying including any requirements relating to external transaction requirements in Malta and any exchange control in the countries of their nationality, residence or domicile.

6.2.8 If an Application is submitted on behalf of another person, whether legal or natural, the person submitting the Application will be deemed to have duly bound such other person on whose behalf the Application has been submitted. The person submitting such Application shall be deemed also to have given the confirmations, warranties and undertakings contained in these terms and conditions on their behalf. Such representative may be requested to submit the relative power of attorney, or resolution or a copy thereof duly certified by a lawyer or notary public if so required by the Issuer and the Registrar, but it shall not be the duty or responsibility of the Registrar or Issuer to ascertain that such representative is duly authorised to sign on the Application. Furthermore, in cases where the decision to invest is taken by a third party authorised to transact on behalf of the Applicant (a "decision maker") such as an individual that holds a power of attorney to trade on the Applicant's account or applications under a discretionary account, details of the decision maker need to be included in the relative panel of the Application.

6.2.9 In the case of joint Applications, reference to the Applicant in these terms and conditions is a reference to each of the joint Applicants, and liability therefor is joint and several. The person whose name shall be inserted in the field entitled "Applicant" on the Application, or first-named in the register of Bondholders shall, for all intents and purposes, be deemed to be such nominated person by all those joint holders whose names appear in the field entitled "Additional Applicants" in the Application Form or joint holders in the register, as the case may be. Such person shall, for all intents and purposes, be deemed to be the registered holder of the Bond(s) so held.

6.2.10 In the case of corporate Applicants or Applicants having separate legal personality, the Application must be signed by a person(s) authorised to sign and bind such Applicant. It shall not be incumbent on the Bank or Registrar to verify whether the person or persons purporting to bind such an Applicant is or are in fact authorised. Applications by corporate Applicants have to include a valid legal entity identifier ("LEI") which must be unexpired. Applications without such information or without a valid LEI will not be accepted.

- 6.2.11** In respect of a Bond held subject to usufruct, the name of the bare owner and the usufructuary shall be entered in the register. The usufructuary shall, for all intents and purposes, be deemed vis-à-vis the Issuer to be the holder of the Bond(s) so held and shall have the right to receive interest on the Bond(s) and to vote at meetings of the Bondholders but shall not, during the continuance of the Bond(s), have the right to dispose of the Bond(s) so held without the consent of the bare owner, and shall not be entitled to the repayment of principal on the Bond (which shall be due to the bare owner). Furthermore, the signatures of both the bare owner and the usufructuary will be required in the respective Application.
- 6.2.12** Applications in the name and for the benefit of minors shall be allowed provided that they are signed by both parents or the legal guardian(s) and accompanied by a Public Registry birth certificate of the minor in whose name and for whose benefit the Application Form is submitted. Any Bonds allocated pursuant to such an Application shall be registered in the name of the minor as Bondholder, with interest and redemption monies payable to the parents or legal guardian(s) signing the Application until such time as the minor attains the age of 18 years, following which all interest and redemption monies shall be paid directly to the registered holder, provided that the Issuer has been duly notified in writing of the fact that the minor has attained the age of 18 years.
- 6.2.13** Applications for the Bonds by Existing Bondholders must be submitted on the appropriate Application by not later than 12:00 hours on 7 September 2022 (or such earlier date as may be determined by the Issuer). Applications for subscriptions to the Bonds through the Intermediaries' Offer may be made by not later than 12:00 hours on 7 September 2022 (or such earlier date as may be determined by the Issuer). All Applications are to be lodged with any of the Authorised Financial Intermediaries listed in Annex II of this Securities Note together with payment of the full price of the Bonds applied for, in Euro (€) with the exception of Applications submitted by Exchangeable Bondholders, where payment needs to correspond to the amount applied for less the aggregate value of the bonds forming the subject of the Exchangeable Bond Transfer, where applicable. Payments may be made by cheque payable to the respective Authorised Financial Intermediary or by any other method of payment as accepted by the respective Authorised Financial Intermediary. In the event that a cheque accompanying an Application is not honoured on its first presentation, the Authorised Financial Intermediary and, or the Issuer acting through the Registrar reserve the right to invalidate the relative Application.
- 6.2.14** By completing and delivering an Application, the Applicant:
- (a) accepts to be irrevocably contractually committed to acquire the number of Bonds allocated to such Applicant at the Bond Issue Price and, to the fullest extent permitted by law, accepts to be deemed to have agreed not to exercise any rights to rescind or terminate, or otherwise withdraw from, such commitment, such irrevocable offer to purchase, and pay the consideration for, the number of Bonds specified in the Application submitted by the Applicant (or any smaller number of Bonds for which the Application is accepted) at the Bond Issue Price (as applicable) being made subject to the provisions of the Prospectus, the Terms and Conditions, the Application Form, and the Memorandum and Articles of Association of the Bank;

In the event of a discrepancy between the personal details (including name and surname and the Applicant's address) appearing on the Application and those held by the MSE in relation to the MSE account number indicated on the Application, the details held by the MSE shall be deemed to be the correct details of the Applicant;
 - (d) acknowledges the processing of any personal data for the purposes specified in the privacy notice published by the Issuer, which is available on the Issuer's website at www.izolabank.com/mt-en/. The Applicant hereby acknowledges that the processing of personal data may validly take place, even without the Applicant's consent, in the circumstances set out in the GDPR and the Data Protection Act (Cap. 586 of the Laws of Malta) ("**Data Protection Act**") and any applicable subsidiary legislation, as may be amended from time to time. The Applicant has the right to request access to and rectification of the personal data relating to him/her in relation to the Bond Issue.  - (h) warrants that the remittance will be honoured on first presentation and agrees that, if such remittance is not so honoured:
 - (i) the Applicant will not be entitled to receive a registration advice or to be registered in respect of such Bonds, unless and until a payment is made in cleared funds within the offer period for such Bonds and such payment is accepted by the respective Authorised Financial Intermediary or by the Issuer acting through the Registrar (which acceptance shall be made in its absolute discretion and may be on the basis that the Authorised Financial Intermediary or the Issuer acting through the Registrar is

indemnified for all costs, damages, losses, expenses and liabilities arising out of, or in connection with, the failure of the Applicant's remittance to be honoured on first presentation at any time prior to unconditional acceptance by the Issuer acting through the Registrar of such late payment in respect of the Bonds); or (ii) the Issuer may, without prejudice to other rights, treat the agreement to allocate such Bonds as void and may allocate such Bonds to another person, in which case the Applicant will not be entitled to a refund or payment in respect of such Bonds (other than return of such late payment);

- (k) agrees to provide the Registrar and, or the Issuer, as the case may be, with any information which it or they may request in connection with the Application;
- (l) agrees that all Applications, acceptances of Applications and contracts resulting therefrom will be governed, and construed, in accordance with Maltese law, and to submit to the jurisdiction of the Maltese courts, and agrees that nothing shall limit the right of the Bank to bring any action, suit or proceedings arising out of or in connection with any such Applications, acceptance of Applications and contracts resulting therefrom in any manner permitted by law in any court of competent jurisdiction;
- (m) warrants that, where an Applicant signs and submits an Application on behalf of another person, the Applicant is duly authorized to do so and such other person will also be bound accordingly and will be deemed also to have given the confirmations, warranties and undertakings contained in the Terms and Conditions and accordingly will be deemed also to have given the confirmations, warranties and undertakings contained in the Terms and Conditions and undertake to submit his power of attorney or a copy thereto duly certified by a lawyer or notary public if so required by the Issuer or the Registrar;

- (r) agrees that the advisers to the Bond Issue (listed in section 4.1 of the Registration Document) will owe the Applicant no duties or responsibilities concerning the Bonds or the suitability of the Applicant;
- (s) agrees that all documents in connection with the issue of the Bonds will be sent at the Applicant's own risk and may be sent by post at the address (or, in the case of joint Applications, the address of the first named Applicant) as set out in the Application; and
- (t) renounces to any rights the Applicant may have to set off any amounts the Applicant may at any time owe the Issuer against any amount due under the terms of these Bonds.

6.2.15 In the event that an Applicant has not been allocated any Bonds or has been allocated a number of Bonds (which in no case shall be less than the minimum subscription amount of €10,000 in nominal value of Bonds) which is less than the number applied for, the Applicant shall receive from the respective Authorised Financial Intermediary a full refund or, as the case may be, the balance of the price of the Bonds applied for but not allocated, without interest, by credit transfer to such account indicated in the Application, at the Applicant's sole risk. The Issuer shall not be responsible for any charges, loss or delay arising in connection with such direct credit transfer.

6.2.16 For the purposes of the Prevention of Money Laundering and Funding of Terrorism Regulations (Subsidiary Legislation 373.01 of the laws of Malta), as amended from time to time, the Authorised Financial Intermediaries are under a duty to communicate, upon request, all information about clients as is mentioned in Articles 1.2(d) and 2.4 of the "*Members' Code of Conduct*" appended as Appendix 3.6 to Chapter 3 of the MSE Bye-Laws, irrespective of whether the said appointed Authorised Financial Intermediaries are MSE Members or not. Such information shall be held and controlled by the MSE in terms of the Data Protection Act (and the GDPR), as may be amended from time to time, for the purposes and within the terms of the MSE Data Protection Policy as published from time to time.

6.2.17 It shall be incumbent on the respective Authorised Financial Intermediary to ascertain that all other applicable regulatory requirements relating to subscription of Bonds by an Applicant are complied with, including without limitation the obligation to comply with all applicable requirements set out in Regulation (EU) No. 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No. 648/2012 ("**MiFIR**"), as well as the applicable MFSA Rules for investment services providers.

6.2.18 By not later than 15 September 2022, the Issuer shall announce the result of the Bond Issue through a company announcement.

6.2.19 No person receiving a copy of the Prospectus or an Application in any territory other than Malta may treat the same as constituting an invitation or offer to such person, nor should such person in any event use such Application, unless, in the relevant territory, such an invitation or offer could lawfully be made to such person or such Application could lawfully be used without contravention of any registration or other legal requirements. In light of the aforesaid, including but not limited to the onerous requirements involved in the registration of the Prospectus in any territory other than Malta and, or compliance with the relevant legal or regulatory requirements, the Issuer has elected not to send Applications to Exchangeable Bondholders having their address as included in the respective register of bondholders outside Malta, except where, *inter alia*, in the absolute discretion of the Issuer, it is satisfied that such action would not result in a contravention of any applicable legal or regulatory requirement in the relevant jurisdiction.

6.2.20 Subscription for Bonds by persons resident in, or who are citizens of, or who are domiciled in, or who have a registered address in, a jurisdiction other than Malta, may be affected by the law of the relevant jurisdiction. Those persons should consult their professional advisers (including tax and legal advisers) as to whether they require any governmental or other consents, or need to observe any other formalities, to enable them to subscribe for the Bonds. It is the responsibility of any person (including, without limitation, nominees, custodians, depositories and trustees) outside Malta wishing to participate in the Bond Issue, to satisfy himself/herself/itself as to full observance of the applicable laws of any relevant jurisdiction, including, but not limited to, obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any transfer or other taxes (of any nature whatsoever) due in such territories. The Issuer shall not accept any responsibility for the non-compliance by any person of any applicable laws or regulations of foreign jurisdictions.

6.2.21 The Bonds have not been and will not be registered under the Securities Act of 1933 of the United States of America and accordingly may not be offered or sold within the United States or to or for the account or benefit of a U.S. person.

6.3 PLAN OF DISTRIBUTION AND ALLOTMENT

The Bonds shall be made available for subscription as follows:

- (a) an amount of up to €8,000,000 in nominal value of Bonds, shall be made available for subscription by Existing Bondholders during the Offer Period, subject to any Cash Top-Up as and if applicable; and
- (b) an amount of up to €6,000,000 in nominal value of Bonds shall be made available for subscription by Authorised Financial Intermediaries during the Intermediaries' Offer.

Provided in the event that less than €8,000,000 in nominal value of Bonds are subscribed for by Existing Bondholders by way of Exchangeable Bond Transfer in terms of paragraph (a) above, the balance shall be made available for: (i) subscription for Bonds by Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer); and (ii) Authorised Financial Intermediaries through an Intermediaries' Offer.

Provided further that in the event that not all of the Bonds made available through the Intermediaries' Offer referred to in paragraph (b) above are subscribed for, the balance shall be made available for subscription by Existing Bondholders in terms of paragraph (a) above.

All subscriptions, shall be made through Authorised Financial Intermediaries, subject to a minimum subscription amount of €10,000 in nominal value of Bonds and in multiples of €100 thereafter.

Authorised Financial Intermediaries shall be required to conduct a Suitability Test in respect of all Applicants, including Existing Bondholders. Applications shall not be accepted by Authorised Financial Intermediaries unless, based on the results of the Suitability Test, the Authorised Financial Intermediary is satisfied that an investment in the Bonds may be considered suitable for the Applicant. The allocation of the Bonds is subject to the allocation policy of the Issuer set out in section 6.6 of this Securities Note.

The Bonds are open for subscription during the Offer Period by Existing Bondholders applying for Bonds by Exchangeable Bond Transfer, as well as by Authorised Financial Intermediaries applying for Bonds through the Intermediaries' Offer. Existing Bondholders applying for Bonds are to submit an Application to an Authorised Financial Intermediary and are to settle all or part of the amount due on the Bonds applied for by the transfer to the Issuer of Exchangeable Bonds held by them as at the Cut-Off Date, subject to a minimum holding of €10,000. Any Existing Bondholder whose holding in Exchangeable Bonds is less than €10,000, shall be required to pay the Cash Top-Up.

The consideration for the purchase of the Exchangeable Bonds by the Issuer shall be €102.50 per Exchangeable Bond. Such consideration will be settled as follows:

- i. Existing Bondholders electing to subscribe for Bonds through the transfer to the Issuer of all or part of the Exchangeable Bonds held by them as at the Cut-Off Date shall be allocated: (i) such number of Bonds representing the nominal value of Exchangeable Bonds transferred to the Issuer, where the nominal value of such Exchangeable Bonds being transferred to the Issuer satisfies the minimum application requirement; or (ii) such number of Bonds representing the aggregate of: (a) the nominal value of Exchangeable Bonds being transferred to the Issuer, and (b) the value of the Cash Top-Up, where the nominal value of such Exchangeable Bonds being transferred to the Issuer falls below the aforementioned minimum application requirement, as applicable; and
- ii. the difference of €2.50 shall be settled by the Issuer by the settlement in cash of €2.50 per Existing Bond so purchased by the Issuer by virtue of the Exchangeable Bond Transfer (the "**Cash Settlement**"). The said amount shall be settled within 30 days of the allocation by the bank transfer of the Cash Settlement to the bank account designated by the Existing Bondholder in its Application.

Interest on the Exchangeable Bonds subject to the Exchangeable Bond Transfer which has accrued up until the Exchangeable Bond Transfer Date shall be settled by the Issuer within 30 days of the allocation of Bonds. The settlement of accrued interest shall be made by the Issuer by bank transfer to the bank account designated by the Existing Bondholder in its Application. The transfer of Exchangeable Bonds to the Issuer in consideration for the subscription Bonds shall cause the obligations of the Issuer with respect to such Exchangeable Bonds to be extinguished, and shall give rise to obligations on the part of the Issuer under the Bonds.

Subscriptions may be made through any of the Authorised Financial Intermediaries. It is expected that an allotment advice will be dispatched to Applicants within five Business Days of the announcement of the allocation policy. The registration advice and other documents and any monies returnable to Applicants may be retained pending clearance of the remittance and any verification of identity as required by the Prevention of Money Laundering Act (Chapter 373 of the laws of Malta), and regulations made thereunder. Such monies shall not bear interest while retained as aforesaid.

Dealings in the Bonds shall not commence prior to the Bonds being admitted to the Official List.

6.4 INTERMEDIARIES' OFFER

An amount of €6,000,000 in nominal value of Bonds and any balance of Bonds reserved for, and not subscribed for by, the Existing Bondholders by way of Exchangeable Bond Transfer (including Cash Top-Ups) shall be made available for subscription by Authorised Financial Intermediaries (as well as Existing Bondholders in respect of any Excess (provided such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer)). For the purposes of the Intermediaries' Offer, the Issuer shall enter into conditional subscription agreements with Authorised Financial Intermediaries, whereby it shall bind itself to allocate an amount of Bonds to the Authorised Financial Intermediaries subject to the terms of such agreements.

In terms of each subscription agreement entered into with an Authorised Financial Intermediary, the Issuer will be conditionally bound to issue, and each Authorised Financial Intermediary will bind itself to subscribe for, a number of Bonds, subject to the Bonds being admitted to the Official List of the MSE. The subscription agreements will become binding on the Issuer and each of the Authorised Financial Intermediaries upon delivery, provided that these intermediaries would have paid to the Issuer all subscription proceeds in cleared funds on delivery of the subscription agreement.

Authorised Financial Intermediaries subscribing for Bonds may do so for their own account or for the account of underlying customers, including retail customers, and shall in addition be entitled to distribute any portion of the Bonds subscribed for upon commencement of trading.

6.5 PRICING

The Bonds are being issued at par, that is, at €100 per Bond with the full amount payable upon subscription.

6.6 ALLOCATION POLICY

The Issuer shall allocate the Bonds on the basis of the following allocation policy:

- (a) up to an aggregate of €8,000,000 shall be allocated to Existing Bondholders applying for Bonds by way of Exchangeable Bond Transfer up to the extent of their holdings of Exchangeable Bonds and subject to the minimum application requirements specified in section 5.1 of this Securities Note; and
- (b) up to an aggregate of €6,000,000 shall be allocated to Authorised Financial Intermediaries applying for Bonds through the Intermediaries' Offer.

Provided in the event that less than €8,000,000 in nominal value of Bonds are subscribed for by Existing Bondholders by way of Exchangeable Bond Transfer in terms of paragraph (a) above, the balance shall be allocated to: (i) Existing Bondholders in respect of any Excess applied for (provided that such Existing Bondholders have transferred their entire holding in Exchangeable Bonds by Exchangeable Bond Transfer); and (ii) Authorised Financial Intermediaries subscribing for Bonds through an Intermediaries' Offer.

Provided further that in the event that not all of the Bonds made available through the Intermediaries' Offer referred to in paragraph (b) above are subscribed for, the amount allocated to Existing Bondholders in terms of paragraph (a) above shall be increased accordingly.

In the event that the aggregate value of Bonds applied for by Existing Bondholders by way of Exchangeable Bond Transfer exceeds the aggregate amount of Bonds available for subscription by Existing Bondholders as aforesaid, then the Issuer, acting through the Registrar, shall first scale down each Application by Existing Bondholders to the minimum subscription amount of €10,000 per Application ("**Scaling Down**"). Where, notwithstanding Scaling Down, the aggregate value of Bonds applied for by Existing Bondholders by way of Exchangeable Bond Transfer remains in excess of the aggregate amount of Bonds available for subscription by Existing Bondholders as aforesaid, a ballot shall be held in accordance with the allocation policy to be issued in terms of this section 6.6 of this Securities Note. Pursuant to such ballot, only the drawn Applications shall be allocated a €10,000 complement in Bonds. As a result, there is the possibility that not all Existing Bondholders seeking to subscribe for Bonds by Exchangeable Bond Transfer will be allocated any Bonds.

6.7 ADMISSION TO TRADING

The MFSA has authorised the Bonds as admissible to listing pursuant to the Capital Markets Rules by virtue of a letter dated 22 July, 2022.

Application has been made to the MSE for the Bonds being issued pursuant to the Prospectus to be listed and traded on the Official List of the MSE.

The Bonds are expected to be admitted to the MSE with effect from 23 September, 2022 and trading is expected to commence on 26 September, 2022.

7. TAXATION

7.1 GENERAL

Investors and prospective investors are urged to seek professional advice as regards both Maltese and any foreign tax legislation which may be applicable to them in respect of the Bonds, including their acquisition, holding and disposal as well as any income or gains derived therefrom or made on their disposal. The following is a summary of the anticipated tax treatment applicable to Bondholders in so far as taxation in Malta is concerned. This information does not constitute legal or tax advice and is not, and does not purport to be, exhaustive.

The information below is based on an interpretation of tax law and practice relative to the applicable legislation, as known to the Issuer at the date of the Prospectus, in respect of a subject on which no official guidelines exist. Investors are reminded that tax law and practice and their interpretation as well as the levels of tax on the subject matter referred to in the preceding paragraph, may change from time to time.

This information is being given solely for the general information of investors. The precise implications for investors will depend, among other things, on their particular circumstances and on the classification of the Bonds from a Maltese tax perspective, and professional advice in this respect should be sought accordingly.

7.2 TAXATION ON INTEREST PAYABLE TO BONDHOLDERS

Interest payable in respect of the Bond to a recipient, as defined in terms of article 41(c) of the Income Tax Act (Cap. 123 of the laws of Malta) (the "**Income Tax Act**") is subject to a 15% final withholding tax (10% in the case of certain types of collective investment schemes), unless the recipient elects to be paid the investment income without deduction of the final withholding tax. Bondholders who do not fall within the definition of a "recipient" do not qualify for the said rate and should seek advice on the taxation of such income as special rules may apply.

This withholding tax is considered as a final tax and a Maltese resident individual Bondholder is not obliged to declare the interest so received in his income tax return (to the extent that the interest is paid net of tax). No person shall be charged to further tax in respect of such income. Furthermore, such tax should not be available as a credit against the recipient's tax liability or for a refund, as the case may be, for the relevant year of assessment in Malta. The Issuer will render an account to the Maltese Commissioner for Revenue of all amounts so deducted, including the identity of the recipient.

In the case of a valid election made by an eligible Bondholder resident in Malta to receive the interest due without the deduction of final tax, interest will be paid gross and such person will be obliged to declare the interest so received in his Maltese income tax return and be subject to tax on such interest at the standard rates applicable to such Bondholder at that time. Additionally, in this latter case, the Issuer will advise the Maltese Commissioner for Revenue on an annual basis in respect of all interest paid gross and of the identity of all such recipients. Any such election made by a resident Bondholder at the time of subscription may be subsequently changed by giving notice in writing to the Issuer. Such election or revocation will be effective within the time limit set out in the Income Tax Act.

In terms of article 12(1)(c) of the Income Tax Act, Bondholders who are not resident in Malta satisfying the applicable conditions set out in the Income Tax Act, including but not limited to the condition that the Bondholder is not owned and controlled by, whether directly or indirectly, nor acts on behalf of an individual(s) who are ordinarily resident and domiciled in Malta, are not taxable in Malta on the interest received and will receive interest gross, subject to the requisite declaration/evidence being provided to the Issuer in terms of law.

7.3 TAXATION ON CAPITAL GAINS ON TRANSFER OF THE BONDS

On the assumption that the Bonds would not fall within the definition of "securities" in terms of article 5(1)(b) of the Income Tax Act, that is, "shares and stocks and such like instrument that participate in any way in the profits of the company and whose return is not limited to a fixed rate of return", to the extent that the Bonds are held as capital assets by the Bondholder, no tax on capital gains is chargeable in respect of a transfer of the Bonds.

7.4 DUTY ON DOCUMENTS AND TRANSFERS

In terms of the Duty on Documents and Transfers Act (Cap. 364 of the laws of Malta) (the "**DDTA**"), duty is chargeable *inter alia* on the transfer or transmission *causa mortis* of marketable securities. A marketable security is defined in the said legislation as "a holding of share capital in any company and any document representing the same".

Consequently, the Bonds should not be treated as constituting marketable securities within the meaning of the legislation and therefore, the transfer or transmission thereof should not be chargeable to duty.

Furthermore, even if the Bonds are considered to be treated as marketable securities for the purposes of the DDTA, in terms of article 50 of the FMA, as the Bonds constitute financial instruments of a company quoted on a regulated market, as is the MSE, redemptions and transfers of the Bonds should, in any case, be exempt from duty.

7.5 EXCHANGE OF INFORMATION

In terms of applicable Maltese legislation, the Issuer and, or its agents are required to collect and forward certain information (including, but not limited to, information regarding payments made to certain Bondholders) to the Commissioner for Revenue. The Commissioner for Revenue will or may, in turn, automatically or on request, forward the information to other relevant tax authorities subject to certain conditions. Relevant legislation includes, but is not limited to:

- (a) the agreement between the Government of the United States of America and the Government of the Republic of Malta to Improve International Tax Compliance and to Implement FATCA – incorporated into Maltese law through Legal Notice 78 of 2014; and
- (b) the implementation of Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU) which provides for the implementation of the regime known as the Common Reporting Standard – incorporated into Maltese law through Legal Notice 384 of 2015 entitled the Cooperation with Other Jurisdiction on Tax Matters (Amendment) Regulations, 2015.

Failure on the part of a Bondholder to provide the Issuer with the necessary information required for its compliance with applicable legislation, may have consequences on the Bondholder's holding and, or may result in the Issuer having to report the Bondholder to the relevant tax authorities.

INVESTORS AND PROSPECTIVE INVESTORS ARE URGED TO SEEK PROFESSIONAL ADVICE AS REGARDS BOTH MALTESE AND ANY FOREIGN TAX LEGISLATION APPLICABLE TO: (I) THE ACQUISITION, HOLDING AND DISPOSAL OF THE BONDS; (II) THE INTEREST PAYMENTS MADE BY THE ISSUER; AND (III) THE REPORTING BY THE ISSUER TO THE COMMISSIONER FOR REVENUE OF INFORMATION ON THE BONDHOLDERS AND ON PAYMENTS MADE TO THE BONDHOLDERS AND THE EXCHANGE OF SUCH INFORMATION BETWEEN MALTA AND RELEVANT FOREIGN TAX AUTHORITIES. THE TAX LEGISLATION OF THE INVESTOR'S COUNTRY OF DOMICILE AND OF THE ISSUER'S COUNTRY OF INCORPORATION (MALTA) MAY HAVE AN IMPACT ON THE INCOME RECEIVED FROM THE BONDS. THE ABOVE IS A SUMMARY OF THE ANTICIPATED TAX TREATMENT APPLICABLE TO THE BONDS AND TO BONDHOLDERS. THIS INFORMATION DOES NOT CONSTITUTE LEGAL OR TAX ADVICE AND REFERS ONLY TO BONDHOLDERS WHO DO NOT DEAL IN SECURITIES IN THE COURSE OF THEIR NORMAL TRADING ACTIVITY.

- ii. engage, at the Issuer's cost, the services of such brokers or intermediaries as may be necessary to fully and effectively vest title in the said Existing Bonds in the Issuer and fully and effectively vest title in the appropriate number of Bonds in the Applicant.

1. This Application is governed by the Terms and Conditions of the Bond Issue contained in Section 6 of the Securities Note dated 22 July 2022 forming part of the Prospectus. Capitalised terms not defined herein shall, unless the context otherwise requires, have the meaning ascribed to them in the Prospectus.
2. The Application Form is to be completed in BLOCK LETTERS. For applicants who are non-residents in Malta for tax purposes, the relative box in Panel F must be completed.
3. The MSE account number pertaining to the Existing Bondholders has been preprinted in Panel A and reflects the MSE account number on the bond register of the Existing Bonds held at the CSD as at 15 July 2022 (trading session of 13 July 2022). If an MSE account pertains to more than one person (including husband and wife), the full details of all individuals must be given in Panels A and B but the first named bondholder shall, for all intents and purposes, be deemed to be the registered holder of the Bonds (vide note 6 below).

Upon submission of an Application Form, Bondholders who opt to have an online e-portfolio facility (by marking the relative box in Panel A), will receive by mail at their registered address a handle code to activate the new e-portfolio login. Registration for the e-Portfolio facility requires a mobile number to be provided on the Application Form. The Bondholder's statement of holdings evidencing entitlement to Bonds held in the register kept by the CSD and registration advices evidencing movements in such register will be available through the said e-portfolio facility on <https://eportfolio.borzamalta.com.mt/>. Further detail on the e-portfolio may be found on <https://eportfolio.borzamalta.com.mt/Help>.

4. Applications in the name and for the benefit of minors shall be allowed provided that the applicant already holds an account with the MSE. Any Bonds allocated pursuant to such an Application shall be registered in the name of the minor as Bondholder, with interest and redemption proceeds payable to the parents or legal guardian/s signing the Application Form until such time as the minor attains the age of eighteen (18) years, following which all interest and redemption proceeds shall be payable directly to the registered holder, provided that the Issuer has been duly notified in writing of the fact that the minor has attained the age of eighteen (18) years. Panel C must be inserted with full details of the parents/legal guardians.
5. In the case of a body corporate, a valid Legal Entity Identifier ("LEI") needs to be inserted in Panel A. **Failure to include a valid LEI code, will result in the Application being cancelled by the Registrar.** Applications must be signed by duly authorised representatives indicating the capacity in which they are signing.
6. **EXISTING BONDHOLDERS ARE TO NOTE THAT ANY SECURITIES ALLOTTED TO THEM WILL BE RECORDED BY THE MALTA STOCK EXCHANGE IN THE MSE ACCOUNT QUOTED ON THIS APPLICATION FORM EVEN IF THE DETAILS OF SUCH MSE ACCOUNT NUMBER, AS HELD BY THE CSD OF THE MALTA STOCK EXCHANGE, DIFFER FROM ANY OR ALL OF THE DETAILS APPEARING OVERLEAF. A SEPARATE REQUEST BY THE APPLICANT TO CHANGE THESE DETAILS AS RECORDED AT THE MSE, WILL HAVE TO BE EFFECTED.**
7. Where a decision to invest is taken by a third party authorised to transact on behalf of the Applicant (a "decision maker") such as an individual that holds a power of attorney to trade on the Applicant's account or applications under a discretionary account, details of the decision maker need to be included in Panel C.
8. Where an MSE account number is held subject to usufruct, Panel C needs to be completed and both the bare owner/s and the usufructuary/ies are to sign this Application Form.
9. The amount set out in Box 3 of Panel D overleaf must be for a minimum of €10,000 and in multiples of €100. Where the Applicant wishes to acquire a number of Bonds having an aggregate value which exceeds the nominal value of the number of Existing Bonds set out in Box 1 of Panel D, the Applicant may do so by including such higher amount in Box 3 in Panel D. In such case, the Applicant must ensure that the relative Application Form is accompanied by payment of the difference between the full price of the amount of Bonds applied for and the nominal value of Existing Bonds being transferred as set out in Box 2.
10. Only Applicants who hold a valid official Maltese Identity Card or companies registered in Malta will be treated as resident in Malta. In such a case the Applicant may elect to have final withholding tax, currently 15%, deducted from interest payments in which case such interest need not be declared in the Applicant's income tax return. The Applicant may elect to receive the interest gross (i.e. without deduction of final withholding tax), but will be obliged to declare interest so received in the tax return. The Issuer will render an account to the Maltese Commissioner for Revenue of all interest paid, all amounts of tax deducted by the payor in respect of the interest paid and of the identity of all such recipients. Interest received by non-resident Applicants is not taxable in Malta and non-residents will receive interest gross. Authorised entities applying in the name of a prescribed fund will have final withholding tax (currently 10%), deducted from interest payments.

In terms of Section 7.2 of the Securities Note, unless the Issuer is otherwise instructed by a Bondholder, or if the Bondholder does not fall within the definition of "recipient" in terms of article 41(c) of the Income Tax Act (Cap. 123 of the laws of Malta), interest shall be paid to such person net of final withholding tax, (currently 15%) of the gross amount of interest, pursuant to article 33 of the Income Tax Act (Cap. 123 of the laws of Malta).

11. Non-residents of Malta should note that payment of interest to individuals and certain residual entities residing in another EU Member State is reported on an annual basis to the Director General Inland Revenue, Malta, who will in turn exchange the information with the competent tax authority of the Member State where the recipient of interest is resident. This exchange of information takes place in terms of the Council Directive 2014/107/EU, of 9 December 2014 amending Directive 2011/16/EU as regards mandatory automatic exchange of information in the field of taxation.

The contents of Notes 10 and 11 above do not constitute tax advice by the Issuer and Applicants are to consult their own independent tax advisors in case of doubt.

12. Interest, refund and redemption proceeds will be credited to the account indicated in Panel G or as otherwise amended by the Bondholder/s during the term of the Bond.
13. The Issue Period will open at 08:30 hours on 1 August 2022 and will close at 12:00 hours on 7 September 2022, or earlier if over-subscribed. Application for Bonds may be lodged with any Authorised Financial Intermediary listed in Annex II of the Securities Note during normal office hours. Remittances by post are made at the risk of the Applicant and the Issuer disclaims all responsibility for any such remittances not being received by the date of closing of the subscription lists. If any Application is not accepted after the closure of the subscription lists or is accepted for fewer Bonds than those applied for, the monies equivalent to the number of Bonds not being accepted will be returned by direct credit into the IBAN specified in panel G.
14. By completing and delivering an Application Form you (as the Applicant(s)) acknowledge that:
 - a. the Issuer or its duly appointed agents including the CSD and the Registrar, may process the personal data that you provide in the Application Form in accordance with the Data Protection Act (Cap. 586 of the laws of Malta) and the General Data Protection Regulation (GDPR) (EU) 2016/679 as amended from time to time;
 - b. the Issuer may process such personal data for all purposes necessary for and related to the Bonds applied for; and
 - c. you, as the Applicant, have the right to request access to and rectification of the personal data relating to you, as processed by the Issuer.

Any such requests must be made in writing and addressed to the Issuer. The request must be signed by yourself as the Applicant to whom the personal data relates.

The value of investments can go up or down and past performance is not necessarily indicative of future performance. The nominal value of the Bonds on offer will be repayable in full upon redemption. An investor should consult an independent financial adviser, licensed under the Investment Services Act (Cap. 370 of the laws of Malta), for advice.
