Prospective investors should enquire whether an intermediary is considered to be an Authorised Financial Intermediary in terms of the Prospectus. This Securities Note has been approved by the MFSA as the competent authority under the Prospectus Regulation. The MFSA only approves this Securities Note as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered an endorsement of the quality of the securities that are subject of this Securities Note. Investors should make their own assessment as to the suitability of investing in the Offer.

2. RISK FACTORS

AN INVESTMENT IN THE SHARES INVOLVES CERTAIN RISKS, INCLUDING THOSE DESCRIBED BELOW. PROSPECTIVE INVESTORS SHOULD CAREFULLY CONSIDER, WITH THEIR OWN FINANCIAL AND OTHER PROFESSIONAL ADVISERS, THE FOLLOWING RISK FACTORS AND OTHER INVESTMENT CONSIDERATIONS, AS WELL AS ALL THE OTHER INFORMATION CONTAINED IN THE PROSPECTUS, BEFORE DECIDING TO MAKE AN INVESTMENT IN THE SHARES. SOME OF THESE RISKS ARE SUBJECT TO CONTINGENCIES WHICH MAY OR MAY NOT OCCUR AND NEITHER THE DIRECTORS OF THE COMPANY NOR THE SELLING SHAREHOLDERS ARE IN A POSITION TO EXPRESS ANY VIEWS ON THE LIKELIHOOD OF ANY SUCH CONTINGENCIES OCCURRING.

THE RISK FACTOR FIRST APPEARING UNDER EACH CATEGORY CONSTITUTES THAT RISK FACTOR THAT THE DIRECTORS OF THE COMPANY HAVE ASSESSED TO BE, AS AT THE DATE OF THIS SECURITIES NOTE, THE MOST MATERIAL RISK FACTOR UNDER SUCH CATEGORY AND WHICH CAN BE CORROBORATED BY THE NATURE OF THE SHARES, AND THE TERMS AND CONDITIONS THEREOF, THAT ARE SUBJECT TO THE OFFERS BEING MADE UNDER THIS SECURITIES NOTE. IN MAKING THIS ASSESSMENT OF MATERIALITY, THE DIRECTORS OF THE COMPANY HAVE EVALUATED THE COMBINATION OF: (I) THE PROBABILITY THAT A RISK FACTOR OCCURS; AND (II) THE EXPECTED MAGNITUDE OF THE ADVERSE EFFECT ON THE FINANCIAL CONDITION AND PERFORMANCE OF THE COMPANY AND ITS SECURITIES IF SUCH RISK FACTOR WERE TO MATERIALISE.

IF ANY OF THE RISKS DESCRIBED BELOW WERE TO MATERIALISE, IT COULD HAVE A SERIOUS EFFECT ON THE VALUE OF THE SHARES. THE RISKS AND UNCERTAINTIES DISCUSSED BELOW ARE THOSE IDENTIFIED AS SUCH BY THE DIRECTORS, BUT THESE RISKS AND UNCERTAINTIES MAY NOT BE THE ONLY ONES THAT RELATING TO INVESTING IN THE SHARES. ADDITIONAL RISKS AND UNCERTAINTIES, INCLUDING THOSE WHICH THE DIRECTORS ARE NOT CURRENTLY AWARE OF, OR CURRENTLY DEEM TO BE IMMATERIAL, MAY WELL RESULT IN A MATERIAL IMPACT ON THE INVESTMENTS IN THE SHARES AND THE VALUE THEREOF.

THIS SECURITIES NOTE AND OR ANY OTHER INFORMATION SUPPLIED IN CONNECTION WITH THE SHARES: (I) IS NOT INTENDED TO PROVIDE THE BASIS OF ANY CREDIT OR OTHER EVALUATION; AND (II) SHOULD NOT BE CONSIDERED OR CONSTRUED TO CONSTITUTE, A RECOMMENDATION BY THE SELLING SHAREHOLDERS, THE COMPANY, THE ADVISERS LISTED IN THE PROSPECTUS, OR ANY OF THE OTHER FINANCIAL INTERMEDIARIES TO PURCHASE, OR SUBSCRIBE TO, THE SHARES, AS APPLICABLE. ACCORDINGLY, PROSPECTIVE INVESTORS SHOULD MAKE THEIR OWN EVALUATION OF ALL RISK FACTORS AND SHOULD CONSIDER ALL OTHER SECTIONS IN THIS DOCUMENT.

2.1 Forward-looking statements

This Securities Note contains statements that are, or may be deemed to be, “forward-looking statements”. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes”, “estimates”, “anticipates”, “expects”, “intends”, “may”, “will” or “should” or, in each case, their negative or other variations or comparable terminology. These forward-looking statements relate to matters that are not historical facts. They appear in a number of places throughout this Securities Note and include statements regarding the intentions, beliefs or current expectations of the Issuer and its Directors concerning, amongst other things, the Issuer’s and the Group’s strategies and business plans, results of operations, financial condition, liquidity and prospects of the Issuer and the markets in which it operates.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Forward-looking statements are not a guarantee of future performance and should therefore not be construed as such. The actual results of operations, financial condition, liquidity and the strategic development of the Issuer and the Group may differ materially from the forward-looking statements contained in this Securities Note. In addition, even if the results of operations, financial condition and liquidity of the Issuer and/or the Group are consistent with the forward-looking statements contained in this Securities Note, those results or developments may not be indicative of results or developments in subsequent periods. Important factors that may cause these differences include:

- i. Continued, sustained or worsening global economic conditions and particularly r economic weakness in the areas in which the Issuer and/or the Group operates;
- ii. Increased competition; and
- iii. Increased regulation.

Potential investors are advised to read this Securities Note in its entirety and in particular this section titled “Risk Factors” for a further discussion of the factors that could affect the Issuer’s and/or the Group’s future performance. In view of these risks, uncertainties and assumptions, the events described in the forward-looking statements in this Securities Note may not occur. All forward-looking statements contained in this Securities Note are made only as at the date hereof. The Issuer and its Directors expressly disclaim any obligations to update or revise any forward-looking statement contained herein to reflect any change in expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based.

2.2 Suitability of Investment

An investment in the Shares may not be suitable for all recipients of the Prospectus and investors are urged to consult a licensed stockbroker or an investment adviser licensed under the Investment Services Act (Cap. 370 of the laws of Malta) as to the suitability or otherwise of an investment in the Shares before making an investment decision.

An informed investment decision can only be made by investors after they have read and fully understood the risk factors associated with an investment in the Shares and the inherent risks associated with the Group’s business. In the event that an investor in the Shares does not seek professional advice and/or does not read and fully understand the provisions of this Securities Note, there is a risk that such investor may acquire an investment which is not suitable for their risk profile.

2.3 No Prior Market for the Shares

Prior to the Offer and Admission, there has been no public market within or outside Malta for the Shares being offered pursuant to the Prospectus. Due to the absence of any prior market for the Shares, there can be no assurance that the price at which the Shares will trade in the market subsequent to Admission will correspond to the Offer Price.

The market price of the Shares on the secondary market could be subject to significant fluctuations in comparison to the Offer Price, which fluctuations may be a response to numerous factors, including, the Group’s operating results, financial performance and conditions, as well as the occurrence of any of the risk factors identified in section 1 of the Registration Document.

2.4 Orderly and Liquid Secondary Market

The Company cannot guarantee an orderly and liquid market for the Shares due to a number of factors which are, for the most part, beyond the Company's control, including but not limited to the presence of willing buyers and sellers of the Shares at any given time and the general economic conditions in the market in which the Shares are traded, namely the primary market of the MSE.

Accordingly, there can be no assurance that an active secondary market for the Shares will develop or, if it does develop, that it will continue. Furthermore, there can be no assurance that an investor will be able to sell or otherwise trade in the Shares at all, or that the Offer Price will correspond to the price at which the Shares will trade in the secondary market subsequent to the Offer and the Admission. Should there not be a liquid market in the Shares, investors may not be able to sell the Shares at, or above, the Offer Price, or at all.

2.5 Volatility in the Market Price of Equity Securities

Prices of equity securities may be volatile, and prospective investors should be aware that, following Admission, the value of an investment in the Shares may decrease or increase abruptly which may prevent Shareholders from being able to sell their Shares at or above the price they paid for them and the Offer Price may not be indicative of prices that will prevail in the trading market.

The price of the Shares may fall in response to market appraisal of the Company's strategy, if the Company's operating results and/or prospects are below expectation of market analysts or Shareholders, in response to regulatory changes affecting the Group's operations. Moreover, stock markets may, from time to time, experience significant price and volume fluctuations which affect the market price of securities. A number of factors, some of which are outside the control of the Group, may impact the price and performance of the Shares, including:

- i. prevailing economic conditions in Malta and conditions or trends in the Maltese retail market generally;
- ii. differences between the Company's expected and actual operating performance as well as between expected and actual;
- iii. performance of the retail industry generally;
- iv. strategic actions by the Issuer and the Group or its competitors, such as mergers, acquisitions, partnerships and restructurings;
- v. speculation, whether or not well founded, about possible changes in the Group's management team;
- vi. the publication of research reports by analysts or failure to meet analysts' forecasts; and
- vii. regulatory changes.

2.6 Dividends

There is no guarantee that dividends will be paid by the Company. Any dividend on the Shares will be limited by the performance of the Company. The Company's dividend policy is described in section 6.10 of the Registration Document ("Dividend Policy") and should not be construed as a dividend forecast.

The extent of any dividend distribution by the Company will depend upon, amongst other factors, the profit for the year, the Directors' view on the prevailing market outlook, any debt servicing requirements, the cash flows of the Company, working capital requirements, the Board's view on future investments and the requirements of the Act. In terms of Maltese Law, a company shall not make a distribution except out of profits available for the purpose or if the Directors conclude it would not be in the best interests of the Company. Any of the foregoing could limit the payment of dividends to Shareholders or, if the Company does pay dividends, the amount of such dividends.

2.7 Lock-In Arrangements

The Issuer is unable to predict whether, following the lapse of the lock-in restrictions put in place in connection with the Offers (as further described in section 5.3 below, a substantial amount of Shares will be sold in the open market by the Locked-In Shareholders. Any sale of substantial amounts of Shares in the public market by one or more of the Locked-In Shareholders (or any other Shareholder), or the perception that such sales might occur, could result in a material effect on the market price of the Shares.

A downturn in the market price of the Shares due to an increased supply of Shares on the secondary market by one or more of the Selling Shareholders may make it more difficult for Shareholders to sell Shares at a time and price that they deem appropriate and could also impede the Company's ability to issue equity securities in the future.

2.8 Future Public Offers and Dilution

Other than in connection with the Admission, the Company has no immediate or short-term current plans for an offering of new ordinary shares or other equity securities. It is possible, however, that in the future the Company may decide to offer additional ordinary shares or other equity securities to the public.

Future offerings of new equity securities, or the availability for sale of substantial amounts of ordinary shares or other equity securities in the public market, could dilute the holdings of shareholders not partaking in such offer or sale of such ordinary shares or other equity securities, adversely affect the prevailing market price of the Shares and could impair the Company's ability to raise capital through future offers of equity securities.

In addition, no prediction can be made about the effect which any future public offerings of the Company's securities (including but not limited to the effects arising out of a change in the cash flow requirements of the Company or other commitments of the Company vis-à-vis the new security holders), or any takeover or merger activity involving the Company (including but not limited to a de-listing, in full or in part, of the Shares), will have on the market price of the Shares prevailing from time to time.

2.9 Continuing Obligations

After the New Shares and Sale Shares are admitted to trading on the Official List of the MSE, the Company must remain in compliance with certain requirements. The MFSA has the authority to suspend trading of the Shares if, inter alia, it comes to believe that such a suspension is required for the protection of investors or of the integrity or reputation of the markets.

A revocation or suspension of listing of the Shares may also occur if the MFSA is, inter alia, satisfied that, owing to special circumstances, normal regular dealings in the Shares are no longer possible, or upon the request of the Company or the MSE. Any such trading suspensions or listing revocations / discontinuations described above, could have a material adverse effect on the liquidity and value of the Shares.

2.10 Currency of Reference

A Shareholder will bear the risk of any fluctuations in exchange rates between the currency of denomination of the Shares (i.e. Euro (€)) and the Shareholder's currency of reference, if different. Such adverse fluctuations may impair the return of investment of the Shareholder in real terms after taking into account the relevant exchange rate.

3. ESSENTIAL INFORMATION

3.1 Working Capital Statement

The Directors of the Company, after reasonable inquiry and after taking the proceeds of the New Shares Offer into consideration, are of the opinion that the working capital available to the Company is sufficient for the Company's present business requirements for the next twelve (12) months of operations.

As at 31 October 2022, the Group's net financial indebtedness amounted to €18.9 million, which represents a decrease from €19.8 million as at 31 December 2021. The decrease in net financial indebtedness is predominantly attributable to:

- An increase in cash and bank balances, which was driven by the Group's cash generation and an increase in trade creditors partly due to the seasonality of the Group's operations;
- A decrease in bank debt; and
- A decrease in current and non-current other payables.

During November 2022, the Group capitalised €3.2 million of shareholders' loans into equity, resulting in a net financial indebtedness position of €15.7 million, which decreases to €5.4 million if leases are excluded.

Any person becoming entitled to any Shares in consequence of the death or bankruptcy of a Shareholder may, upon such evidence being produced as may from time to time properly be required by the Company or the CSD, elect either to be registered himself as holder of the Shares or to have another person nominated by him registered as the transferee thereof. 4.2.5 Pre-Emption

In accordance with article 88 of the Act and Article 3 of the Articles, should any shares in the Company be proposed for allotment for consideration in cash, the Company must, on a pre-emptive basis, offer existing holders a proportion of such shares which are as nearly as practicable equal to the proportion in nominal value held by him/her/it of the aggregate Shares in issue in the Company immediately prior to the new issue of shares. Investors ought to be aware that such right of pre-emption does not apply to an issuance and allotment of shares in the Company made against a consideration in kind.

Nevertheless, in instances where the Company proposes to make an issue and allotment of shares for a consideration in kind, the Company shall be subject to the provisions of the Capital Markets Rules prescribing disclosure and/or approval requirements in the case of certain classes of transactions as contemplated in the Capital Markets Rules.

Furthermore, the obligation of the Company to offer shares to existing Shareholders on a pre-emptive basis would not, however, apply to shares issued and allotted to employees of the Company pursuant to any scheme to be approved by the Shareholders.

This right of pre-emption may be withdrawn by an extraordinary resolution of the general meeting of Shareholders, in which case, the Directors will be required to present to that general meeting a written report indicating the reasons for restriction/withdrawal of the said right and justifying the issue price.

4.2.6 Mandatory Takeover Bids, Squeeze-Out and Sell-Out Rules

The Shareholders of the Company may be protected by the said Capital Markets Rules in the event that the Company is the subject of a Takeover Bid (as defined therein). The Capital Markets Rules may be viewed on the official website of the MFSA – www.mfsa.mt. In the event that the IPO is not fully subscribed, the subscription for the Shares shall be deemed not to have been accepted by the Issuer and all proceeds received from Applicants shall be refunded accordingly, and the IPO shall be cancelled forthwith.

5.4 Lock-In Arrangements

Pursuant to the Lock-In Agreement, the Locked-In Shareholders undertook, for a period of twenty-four (24) months from the date

when the Shares are admitted to listing on the Official List, not to offer, sell, grant any option, right or warrant to purchase over or otherwise transfer, assign or dispose of, any of the Shares in the Company retained by them as at the date on which, following closing of the Offer in terms of the Prospectus, the transfer of the Sale Shares in terms of the Sale Shares Offer shall have been effected (the "Lock-In"). The undertaking constituting the Lock-In shall subsist notwithstanding any provisions of the Act and the Memorandum and Articles of Association that would otherwise have permitted such transfer, assignment or disposal. As an exception to the Lock-In, a Locked-In Shareholder may transfer, sell, assign, or otherwise dispose of Shares where such transfer, sale, assignment or disposal is made consequent to the enforcement, as a result of default of the underlying obligation by the pledgor, of a bona fide pledge made to a credit institution licensed in Malta or holding an equivalent authorisation in an EU member state or EEA state. Furthermore, the Lock-In shall not apply to (i) any newly issued shares or securities which may, in the future, be issued by the Company and subscribed for by the Locked-In Shareholders, or (ii) any existing Shares which the Locked-In Shareholders may acquire in addition to the Shares held by them as at the date on which, following closing of the Offer in terms of the Prospectus, the transfer of the Sale Shares in terms of the Sale Shares Offer shall have been effected.

No person downloading a copy of the Prospectus (or part thereof) or an Application Form in any territory other than Malta, may treat the same as constituting an invitation or offer to them, nor should they in any event deal with the Application Form unless in the relevant territory, such an invitation or offer could lawfully be made to him/her or the Application Form could lawfully be used or dealt with without contravention of any legal or regulatory requirements.

Having considered the circumstances, in light of the onerous requirements involved in the registration of the Prospectus in any territory other than Malta and/or compliance with the relevant legal or regulatory requirements, the Company has formed the view that it will not accept completed Application Forms from investors residing in or citizens of a country other than Malta except where, in the absolute discretion of the Company, it is satisfied that such action would not result in a contravention of any applicable legal or regulatory requirement in the relevant jurisdiction.

The completed Application Form is to be lodged with an Authorised Financial Intermediary during the Offer Period. In the event that the Applications received exceed the amount of Offer Shares available for subscription, the Registrar shall scale down each Application and the excess Application monies will be returned, by the Registrar on behalf of the Company or the Selling Shareholders (as the case may be), without interest, by direct credit into the Applicant's bank account as indicated by the Applicant on the Application Form by the date shown in the expected timetable in section 5.13.

In the event that the IPO is not fully subscribed, the subscription for the Shares shall be deemed not to have been accepted by the Issuer and all proceeds received from Applicants shall be refunded accordingly, and the IPO shall be cancelled forthwith.

In either case, in the event that: following the Offer Period, the Offer Shares subscribed for do not, when aggregated with the shares in the Company in issue as at the date hereof, result in at least 25% of the issued share capital of the Company being held in the hands of the public on the Official List as required in terms of Capital Markets Rule 3.26.2:

- i. no allotment of the Offer Shares will be made;
- ii. for the purposes of the Offers, the subscription of the Offers shall be deemed not to have been accepted by the Company and the Selling Shareholders; and
- iii. all proceeds received from Applicants shall be refunded accordingly by the Registrar on behalf of the Company and the Selling Shareholders, by direct credit into the Applicant's bank account as indicated by the Applicant on the relevant Application Form. All refunds in this respect shall be made within ten (10) Business Days from the expiration of the Offer Period.

This increases to €0.245 per share following the New Shares Offer. The offering price per share is of €0.97 per share (or such lower amount as may be applicable to the individual Locked-In Applicants as specified in section 5.1 of this Securities Note).

7. Taxation

Investors and prospective investors are urged to seek professional advice as regards both Maltese and any foreign tax legislation which may be applicable to them in respect of the Shares, including their acquisition, holding, disposal as well as any income/gains derived therefrom or made on their disposal, and / or the distribution and payment of dividends or other distributions on the Shares. The following information of the anticipated tax treatment applicable to investors is applicable only in so far as taxation in Malta is concerned as at the date of this Securities Note. This information does not constitute legal or tax advice and does not purport to be exhaustive.

The information below is based on an interpretation of tax law and practice relative to the applicable legislation as known to the Company as at the date of this Securities Note in respect of a subject on which no official guidelines exist. Investors are reminded that tax law and practice and their interpretation on the subject matter referred to in the preceding paragraph, as well as the levels of tax, may change from time to time.

This information is being given solely as a general guide. The precise implications for investors will depend, among other things, on their particular individual circumstances and on the classification of the Shares from a Maltese tax perspective, and thus professional advice in this respect should be sought accordingly.

7.1 Taxation Status of the Company

The Company is subject to tax in Malta on its world-wide taxable profits at the standard corporate income tax rate of 35%. Certain exemptions or other tax rates may apply in respect of particular sources of income.

7.2 Tax on Dividends

In general, distributions of dividends from the profits of the Company to its Shareholders should not be subject to any further tax in Malta.

Under Malta's full imputation system, the Shareholder may be entitled to claim a tax refund of the difference between the tax payable on the grossed-up dividend and the tax paid by the Company distributing the dividend. This said, in certain circumstances, the amount of credit which may be attributable to and claimable by the Shareholder for the tax paid at the level of the Company may be limited.

7.2.1 Malta Tax Accounts

For Malta income tax reporting purposes, a company registered in Malta is required to allocate its distributable profits to five separate tax accounts, namely, (i) the Final Tax Account, (ii) the Immovable Property Account, (iii) the Foreign Income Account, (iv) the Maltese Taxed Account, and (v) the Untaxed Account.

Under Malta's full imputation system, tax refunds cannot be claimed on profits distributed from the Final Tax Account or on profits on which tax has been relieved at the level of the Company by way of certain credits and/or deductions.

Dividends distributed to a qualifying 'Recipient' in Malta, from profits allocated to the Untaxed Account, should be subject to a 15% withholding tax. In such cases, the Company should withhold 15% tax from the amount of the dividend and remit such withholding tax to the Commissioner for Revenue.

Article 61(a) of the Income Tax Act Chapter 123 of the Laws of Malta (hereinafter, the 'ITA') defines the term "Recipient" for the purposes of the articles 62 to 69 of the ITA and includes, *inter alia*, a person other than a company (or a receiver, guardian, tutor, curator, judicial sequestrator, trustee, foundation or other fiduciary acting on behalf of a person) who is resident in Malta; and includes EU/EEA nationals (and their spouse where applicable) who are not resident in Malta for Malta tax purposes but who are required to apply the tax rates applicable to Malta tax residents on the basis that the portion of their income that arises in Malta is at least 90% of their worldwide income.

The Shareholder may, in certain circumstances, opt to declare the gross dividend distributed from the Untaxed Account in his/her tax return and claim a refund on the difference between the 15% withholding tax and the personal tax rate applicable to that Shareholder (if the tax rate applicable to that Shareholder is less than 15%).

The Shareholders should seek advice on the taxation of such income in Malta and on any foreign tax implications that may be applicable to them.

7.3 Tax on Capital Gains

On the basis that the Shares should fall within the definition of "securities" in terms of article 5(1)(a)(ii) of the ITA, (which generally includes shares, stocks and such like instruments that participate in any way in the profits of the company and whose return is not limited to a fixed rate of return, and also includes units in a collective investment scheme), any transfer of the Shares should, in principle, be chargeable to tax on capital gains in Malta. However, in accordance with article 5(6)(b) of the ITA, if and for as long as the Shares are listed on a stock exchange recognised by the Commissioner for Revenue, and such Shares are held as capital assets, no tax on capital gains should be payable in Malta on any transfer of the Shares.

7.4 Duty on Documents and Transfers

In terms of the Duty on Documents and Transfers Act, Chapter 364 of the Laws of Malta (hereinafter, the 'DDTA'), stamp duty at the rate of 2% on the consideration or the real value (whichever is higher) is chargeable, *inter alia*, on the transfer or transmission *inter vivos* or *causa mortis* of a "marketable security". On the basis that the Shares should fall within the definition of a "marketable security", defined in the DDTA as "a holding of share capital in any company and any document representing the same", a transfer/transmission of the Shares should, in principle, be subject to stamp duty in Malta.

Furthermore, in terms of article 42(2)(b) of the DDTA, any transfer of marketable securities in a "property company" (defined in terms of article 2(1) of the ITA as "a company which holds, directly or indirectly, shares in a company having seventy-five percent (75%) or more of its assets, excluding all current assets other than immovable property, consisting of any immovable property or any right over an immovable") should, in principle, be chargeable to a duty of 5% on the consideration or the real value (whichever is higher).

However, in accordance with current legislation, namely article 50 of the Financial Markets Act, Chapter 345 of the Laws of Malta, if and for as long as the Shares are listed on a qualifying 'regulated market' or on certain other exchanges, no duty should be payable in Malta on any transfer of these Shares.

7.5 Exchange of Information

In terms of applicable Maltese legislation, the Company and/or its agent may be required to collect and forward certain information (including, but not limited to, information regarding payments made to certain Shareholders) to the Commissioner for Revenue. The Commissioner for Revenue will or may, in turn, automatically or on request, forward the information to other relevant tax authorities subject to certain conditions.

7.5.1 The Common Reporting Standard and the Directive on Administrative Cooperation

The Organisation for Economic Co-operation and Development (“OECD”) has developed a global framework, commonly known as the Common Reporting Standard (“CRS”) for the identification and timely reporting of certain financial information on individuals, and controlling persons of certain entities, who hold financial accounts with financial institutions of participating jurisdictions in order to increase tax transparency and cooperation between tax administrations. Numerous jurisdictions, including Malta, have signed the OECD multilateral competent authority agreement, which is a multilateral agreement outlining the framework to automatically exchange certain financial and personal information as set out within CRS.

So as to introduce an extended automatic exchange of information regime in accordance with the global standard released by the OECD, CRS has also been adopted in the EU through the implementation of Council Directive 2014/107/EU of 9 December 2014 amending Directive 2011/16/EU as regards mandatory automatic exchange of tax information in the field of taxation. This has been transposed in Malta by means of Legal Notice 384 of 2015 amending the Cooperation with Other Jurisdictions on Tax Matters Regulations, Subsidiary Legislation 123.127 (“CRS Legislation”), and has been applicable since 1 January 2016. In terms of this legal notice, the automatic exchange of information obligations shall extend to jurisdictions that are not EU Member States with which there is a relevant arrangement in place.

Malta based financial institutions (defined as such for the purposes of CRS) are obliged to identify and annually report to the Commissioner for Revenue financial accounts held by a reportable person, as defined under the CRS Legislation, including certain entities with one or more controlling persons, as defined under the CRS Legislation. Financial information relating to the Shares and the holders thereof may fall within the purview of CRS and may be subject to reporting and information exchange provisions.

Under CRS, financial institutions resident in a CRS participating jurisdiction (such as Malta) would be required to apply onerous due-diligence procedures for the identification of reportable accounts. Shareholders and noteholders may be required to provide certain information and certifications to financial institutions, such as qualifying custodians or any intermediaries, in order to satisfy their obligations under CRS. Certain confidential information in relation to the Shareholders, noteholders and/or other reportable persons may be reported to the Commissioner for Revenue or other relevant overseas tax authorities and automatically exchanged pursuant to these arrangements with the tax administrations of other participating jurisdictions.

Prospective investors are advised to seek professional advice in relation to the CRS and EU Council Directive 2014/107/EU. Not complying with the CRS rules may give rise to certain fines or closure of financial accounts.

7.5.2 Foreign Account Tax Compliance Act

The United States has enacted rules, commonly referred to as “FATCA”, that generally impose a reporting regime and, in some cases withholding requirements, with respect to certain U.S. source payments (including dividends and interest), gross proceeds from the disposition of property that can produce U.S. source interest and dividends as well as certain payments made by, and financial accounts held with, entities that are classified as financial institutions under FATCA. The United States has entered into an intergovernmental agreement with Malta dated 6 December 2013 regarding the implementation of FATCA within Malta which has been implemented into Maltese law through the Exchange of Information (United States of America) (FATCA) Order, Subsidiary Legislation 123.156 (“FATCA Legislation”).

Under the FATCA Legislation, financial institutions in Malta (defined as such for the purposes of FATCA) are required to satisfy applicable due diligence requirements to identify and report financial accounts held by specified U.S. persons, as defined under the FATCA Legislation, and certain non-U.S. entities, which are controlled by U.S. Controlling Persons, as defined under the FATCA Legislation, to the Commissioner for Revenue. The Maltese Government and the Government of the U.S. shall annually exchange the information obtained pursuant to the FATCA Legislation on an automatic basis.

Financial account information in respect of holders of the Shares and/or of the notes could fall within the scope of FATCA and they may therefore be subject to reporting obligations. In order to comply with its FATCA obligations, if any, the Issuer may be required to obtain certain information, forms and other documentation on the Shareholders and/or the noteholders to report information on reportable accounts to the Commissioner for Revenue, in accordance with applicable laws and regulations, which will in turn report this information to the Internal Revenue Service in the U.S. Shareholders and/or noteholders should note that a specified US person in terms of FATCA may include a wider range

of investors than the current U.S. Person definition referred to in the term Eligible Investors. Financial institutions reserve the right to request any information and/or documentation required, in respect of any financial account, in order to comply with the obligations imposed under FATCA and any referring legislation. In the case of failure to provide satisfactory documentation and/or information, financial institutions may take such action as it thinks fit, including without limitation, the closure of the financial account.

Prospective investors are advised to seek professional advice in relation to FATCA. Not complying with FATCA rules may give rise to certain fines, closure of financial accounts or potential withholding implications.

THE ABOVE INFORMATION IS BASED ON TAX LAW AND PRACTICE APPLICABLE AS AT THE DATE OF THIS PROSPECTUS. INVESTORS AND PROSPECTIVE INVESTORS ARE URGED TO SEEK PROFESSIONAL ADVICE AS REGARDS BOTH MALTESE AND ANY FOREIGN TAX LEGISLATION APPLICABLE TO THE ACQUISITION, HOLDING AND DISPOSAL OF SHARES AS WELL AS DIVIDEND PAYMENTS MADE BY THE ISSUER. THE ABOVE IS A SUMMARY OF THE ANTICIPATED TAX TREATMENT APPLICABLE TO THE SHARES AND TO SHAREHOLDERS. THIS INFORMATION, WHICH DOES NOT CONSTITUTE LEGAL OR TAX ADVICE, REFERS ONLY TO SHAREHOLDERS WHO DO NOT DEAL IN SECURITIES IN THE COURSE OF THEIR NORMAL TRADING ACTIVITY AND DEPENDS, AMONG OTHER THINGS, ON THE PARTICULAR INDIVIDUAL CIRCUMSTANCES OF THE INVESTORS AND OF THE CLASSIFICATION OF THE SHARES FROM A MALTESE TAX PERSPECTIVE.

8. Terms and Conditions of Application

1. The contract created by the Company's acceptance of an Application shall be subject to the general terms and conditions set out herein, in the remainder of the Prospectus, the respective Application Form, and the Memorandum and Articles of Association of the Company.
2. Subject to all other terms and conditions set out in the Prospectus, the Company reserves the right to reject in whole or in part, or to scale down, any Application (including multiple or suspected multiple Applications) and any payment, upon receipt. The right is also reserved to refuse any Application which, in the opinion of the Financial Intermediary and/or the Registrar, is not properly completed in all respects in accordance with the instructions, or is not accompanied by the required documents. Only original Application forms will be accepted. It shall not be incumbent on the Registrar or the Company to verify the signatory/ies on any Application Form submitted.
3. In the case of joint Applications, reference to the Applicant in these general terms and conditions of application is a reference to each of the joint Applicants, and liability therefore is joint and several. Joint Applications are to be signed by all parties. The person whose name shall be inserted in the field entitled "Applicant" on the Application Form, or first-named in the register of Shareholders shall, for all intents and purposes, be deemed to be such nominated person by all those joint holders whose names appear in the field entitled "Additional Account Holder" in the Application Form or joint holders in the register of Shareholders, as the case may be. Such person shall, for all intents and purposes, be deemed to be the registered holder of the Share/s (as applicable) so held. It shall not be incumbent on the Registrar or the Company to verify the signatory/ies on the Application Form submitted.
4. In the case of corporate Applicants or Applicants having separate legal personality, the Application Form must be signed by a person/s authorised to sign and bind such Applicant. Applications by corporate Applicants have to include a valid legal entity identifier ("LEI") which must be unexpired. Applications without such information or without a valid LEI will not be accepted. It shall not be incumbent on the Registrar or the Company to verify the signatory/ies on the Application Form submitted or to verify whether the person or persons purporting to bind such an Applicant is or are in fact authorised.
5. In respect of a Share held subject to usufruct, the name of the bare owner and the usufructuary shall be entered in the register of Shareholders. The usufructuary shall, for all intents and purposes, be deemed vis-à-vis the Company to be the holder of the Share/s so held and shall have the right to receive dividends distributed to Shareholders and to vote at meetings of the Shareholders, but shall not have the right to dispose of the Share/s so held without the consent of the bare owner. It shall not be incumbent on the Registrar or the Company to verify the signatory/ies on the Application Form submitted.
6. Applications in the name and for the benefit of minors shall be allowed provided that they are signed by both parents or by the legal guardian. Any Offer Shares allocated pursuant to such an Application shall be registered in the name of the minor as the holder of the acquired Offer Shares, with dividends payable to the parents/legal guardian signing the Application Form until such time as the minor attains the age of 18 years, following which all dividends shall be payable directly to the registered holder, provided that the Company has been duly notified in writing of the fact that the minor has attained the age of 18 years. It shall not be incumbent on the Registrar or the Company to verify the signatory/ies on the Application Form submitted.
7. All applications for the Offer Shares must be submitted on the appropriate Application Form within the time limits established herein. The minimum application is for 2,000 Shares. Applications in excess of the said minimum threshold must be in multiples of 100 Shares. The completed Application Forms are to be lodged with any of the Financial Intermediaries. All Application Forms must be accompanied by the full payment due for the Offer Shares applied for, in Euro (€). In the event that a cheque accompanying an Application Form is not honoured on its first presentation, the Company, through the Registrar, reserves the right to invalidate the relative Application Form.
8. For the purposes of the Prevention of Money Laundering and Funding of Terrorism Regulations 2008 (subsidiary legislation 373.1 of the laws of Malta), all appointed Financial Intermediaries are under a duty to communicate, upon request, all information about clients as is mentioned in Articles 1.2(d) and 2.4 of the "Code of Conduct for Members of the Malta Stock Exchange" appended as Appendix 3.6 of the MSE Bye-Laws, irrespective of whether the said appointed Authorised Financial Intermediaries are Malta Stock Exchange Members or not. Such information shall be held and controlled by the Malta Stock Exchange in terms of the Data Protection Act (Cap. 586 of the laws of Malta) and/or Regulation (EU) 2016/679 (the "GDPR"), as amended, for the purposes and within the terms of the MSE's data protection and privacy policy as published from time to time.

9. It shall be incumbent upon the respective Authorised Financial Intermediary to ascertain that all other applicable regulatory requirements relating to the subscription of the Offer Shares by an Applicant are complied with, including without limitation the obligation to comply with all applicable requirements set out in Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments (“MiFID II”), and Regulation (EU) No. 600/2014 of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Regulation (EU) No. 648/2012 (“MiFIR”), in each case as amended, as well as applicable MFSA Conduct of Business Rules and MFSA Rules for investment services providers.
10. No person receiving a copy of the Prospectus or any part thereof or an Application Form in any territory other than Malta may treat the same as constituting an invitation or offer to him nor should he in any event use such Application Form, unless, in the relevant territory, such an invitation or offer could lawfully be made to him or such Application Form could lawfully be used without contravention of any registration or other legal requirements. It is the responsibility of any person outside Malta wishing to make any Application to satisfy himself as to full observance of the laws of any relevant territory in connection therewith, including obtaining any requisite governmental or other consents, observing any other formalities required to be observed in such territory and paying any issues, transfer or other taxes required to be paid in such territory.
11. Within five (5) Business Days from closing of the Offer Period, the Company, through the Registrar, shall inform the Financial Intermediaries of the basis of acceptance and allocation of Applications.
12. Save where the context requires otherwise, terms defined in the Prospectus bear the same meaning when used in these general Terms and Conditions of Application for the Offer Shares, in the Application Form and in any other document issued pursuant to the Prospectus.
