

19 January 2024

First Set of Technical Standards under Regulation (EU) 2022/2554 on Digital Operational Resilience for the Financial Sector Submitted to the European Commission

This circular is an update to Circular titled [Regulation \(EU\) 2022/2554 and Amending Directive \(EU\) 2022/2556 on Digital Operational Resilience for the Financial Sector published on the EU Official Journal](#) published by the Authority in January 2023. As detailed by the latter circular, Regulation (EU) 2022/2554 (“the Regulation”) is to be supplemented by, *inter alia*, a series of Technical Standards and Guidelines.

Following an interinstitutional drafting process by the European Supervisory Authorities (“ESAs”) and a public consultation as detailed by Circular title [ESAs Joint Committee Public Consultation on the first set of Technical Standards under Regulation \(EU\) 2022/2554 on Digital Operational Resilience for the Financial Sector](#), the first set of Technical Standards with a delivery deadline of January 2024, has been submitted to the European Commission (“EC”) by the ESAs. The EC will now review the submitted Technical Standards with the objective of adopting them in the coming months. Financial entities and other stakeholders are invited to refer to the following ESAs links for the submitted Technical Standards:

1. [European Banking Authority](#)
2. [European Insurance and Occupational Pensions Authority](#)
3. [European Securities and Markets Authority](#)

Authorised Persons may request further information by sending an email to the Supervisory ICT Risk and Cybersecurity function on sirc@mfsa.mt.
