Regulation (EU) 2022/2554 on Digital Operational Resilience for the Financial Sector – Register of Information Resubmission Deadline

This Circular is a follow up to Circular titled [Regulation \(EU\) 2022/2554 on Digital Operational Resilience for the Financial Sector – Register of Information Deadline Extension](#) published by the Authority on 09 April 2025 in relation to the Register of Information (RoI).

The Authority would like to inform Financial Entities that the European Supervisory Authorities (ESAs) are currently providing the functionality for the resubmission of the RoIs that were rejected during the submission period. This resubmission window will remain open until **23 May 2025**.

*This circular does not apply to your Financial Entity if your respective RoI submission is marked as **'File Processed by EBA'** on the LH Portal.*

If your submission does not have a **'File Processed by EBA'** status on the LH Portal, we kindly remind you to address any RoI submission feedback received on the LH Portal or via email. Subsequently, please resubmit your RoI without undue delay and by not later than **23 May 2025**. Please note that this should **not** be considered as an extension to the RoI submission deadline, i.e., **11 April 2025**, which has already passed.

To be considered as successfully submitted, your submission must achieve the status of **'File Processed by EBA'** on LH Portal.

If you are still unable to rectify the errors presented, we kindly advise you to reach out to the EBA via the following contact points:

- DORA Technical Support Team: DORA-Technical-Support@eba.europa.eu
- DORA Business Support Team: ESA-DORA-Reporting@eba.europa.eu

Based on the issue reported, feel free to put either of the above in cc as applicable. The technical/business team will triage issues reported and respond accordingly.

For more information, please refer to our [website](#) resources which provide instructions and guidance published by the MFSA and the ESAs regarding the RoI submission.

Financial Entities may request further information by sending an email to the MFSA Register of Information team at roi@mfsa.mt.
