Title 4 Administrative penalties, other administrative measures and sanctions

Section 1 Scope and Application

R3-4.1.1 This Title provides detail with regards to administrative penalties and sanctions. It *inter alia* provides the principles which guide the MFSA when imposing an administrative penalty and provides for aggravating and mitigating circumstances in case of misconduct by any person who fails to comply with a provision of the Financial Institutions Act (the 'Act') appearing in the first column of the Second Schedule of the Fines and Penalties for Offences Regulations, Subsidiary Legislation 376.02.

Section 2 Administrative penalties, other administrative measures and sanctions

R3-4.2.1 The Licence Holder shall at all times observe the Rules which are applicable to it, as well as all the relative requirements which emanate from the Act and, or the corresponding Rules and, or Regulations issued thereunder. In terms of the Act, the MFSA has various sanctioning powers which may be used against a Licence Holder which does not comply with its regulatory obligations. Such powers include the power to impose any administrative penalties and other administrative measures.

R3-4.2.2 Where a Licence Holder breaches or infringes a Rule, the MFSA may, by virtue of the authority granted to it under Article 23 of the Act, impose administrative penalties and other administrative measures.

R3-4.2.3 In determining whether to impose an administrative penalty or other administrative measure, and in determining the appropriate penalty or sanction, the MFSA shall be guided by the principle of proportionality. The MFSA shall, where relevant, take into consideration the circumstances of the specific case, which may *inter alia* include:

- i. the repetition, frequency, gravity or duration of the infringement by the Licence Holder;
- ii. the degree of responsibility of the person responsible for the infringement;
- iii. the financial strength of the Licence Holder;
- iv. the profits gained or losses avoided by the Licence Holder by reason of the infringement, insofar as they can be determined;
- v. the losses for third parties caused by the infringement, insofar as they can be determined;

- ix. any evidence of wilful deceit on the part of the Licence Holder or its officers; and
- x. any potential systemic consequences of the infringement.

R3-4.2.4 These Rules stipulate various requirements for the submission of Documents within set time-frames. Late or non-submission of statutory documents may give rise to the imposition of an initial administrative penalty and any additional daily penalty. If the circumstances so warrant the Authority reserves the right to take any further administrative measures as appropriate.

R3-4.2.5 Documents may be submitted in various ways. The date of receipt will be as follows:

- i. if it is sent by fax or email, the date of receipt recorded shall be the time stamp of the fax or email, respectively;

- ii. if it is sent by post, this will be the date indicated by the MFSA stamp evidencing receipt;
- iii. if it is delivered by hand, on the date such delivery was made and recorded by the MFSA.

R3-4.2.6 The MFSA will use its discretion to decide what action to take in respect of Licence Holders who do not submit Documents by their due date, after taking into consideration the reasons (if any) put forward by the Licence Holder for the delay.

R3-4.2.7 Late submission gives rise to liability to an initial penalty and an additional daily penalty. If the conditions imposed by the MFSA are not met, the Authority reserves the right to take any further action as it may deem appropriate in the circumstances.

R3-4.2.8 A right of appeal to the Financial Services Tribunal is available to Licence Holders on whom penalties are imposed.
