

Dear

*Sir/Madam,***Join Us: GRC & ESG Conference 2026, taking place at the Hilton Hotel St Julian's, 5-6 March 2026**

We are pleased to invite you to attend our upcoming two-day conference - Governance, Risk, Compliance and ESG Conference 2026, taking place at the Hilton Hotel, St Julian's, 5-6 March 2026.

The conference comes at a critical moment when global markets are evolving rapidly, regulatory expectations are intensifying and innovation continues to redefine the way we engage in finance. It is in this dynamic context that we aim to convene thought leaders, industry professionals, regulators and policymakers to engage in meaningful dialogue on the challenges and opportunities ahead. Strengthening cooperation thus remains essential for addressing shared challenges and achieving sustainable growth, technological advancements and resilience. Through continued cooperation, we seek to understand the implications of unconventional risks and explore avenues to mitigate them.

What makes this year's programme particularly compelling is the participation of senior representatives and panellists from foreign financial regulators, EU Commission and ESMA who will share first-hand perspectives on supervisory expectations, cross-border developments and emerging regulatory priorities. Their presence offers a valuable opportunity to gain comparative insights and engage with international counterparts on issues that increasingly shape our environment.

In an environment where regulator alignment, supervisory convergence and international cooperation are becoming more critical, this conference provides a timely platform to strengthen understanding and exchange views and anticipate future developments.

We strongly encourage you to secure your place at the earliest opportunity. Agenda and registration details are available:

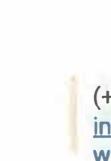

**Agenda 2026 – Malta Stock Exchange – GRC and ESG Conference 2026**

We look forward to welcoming you and your colleagues to an insightful and impactful event.

Yours Sincerely,  
**Malta Financial Services Authority**
