### **Prevention of Money Laundering**

- 1.28 Responsibility for the Scheme’s compliance with its Prevention of Money Laundering obligations rests with the Board of Directors in the case of a Scheme set up as an investment company; with the General Partner(s) in the case of a Scheme set up as a limited partnership; or with the Manager in the case of a Scheme set up as a unit trust or a common contractual fund.

- 1.29 The Scheme shall at all times have a Money Laundering Reporting Officer.

- 1.30 The Scheme shall obtain the written consent of the MFSA before the appointment or replacement of a Money Laundering Reporting Officer in

- 1.33 The Scheme shall make available to its auditor, the information and explanations he/ she needs to discharge his/ her responsibilities as an auditor and in order to meet the MFSA's requirements.

  - (ii) to afford another auditor all such assistance as he/ she may require;

    - b. constitutes or is likely to constitute a material breach of the legal and regulatory requirements applicable to the Scheme in or under the Act;
    - c. relates to any other matter which has been prescribed.
- 1.37 If at any time the Scheme fails to have an auditor in office for a period exceeding four weeks the MFSA shall be entitled to appoint a person to fill the vacancy; the fees and charges so incurred being payable by the Scheme.
- 1.38 In respect of each annual accounting period, the Scheme shall require its auditor to prepare a management letter in accordance with International Standards on Auditing.

**Investment Objectives, Policies and Restrictions applicable to Licence Holders whose application to MFSA is terms of article 5 of the Act was submitted prior 1/1/2010**

- 1.39 The Scheme shall be subject to the investment objectives, policies and restrictions outlined in its Offering Document. In addition, where the Scheme intends effecting its investments through the use of Trading Companies or Special Purpose Vehicles, it shall also be subject to the supplementary conditions regarding the use of such vehicles set out in [Appendix I](#). The Manager or the Scheme shall take all reasonable steps to comply with the investment policies and restrictions of the Scheme.
- 1.40 Direct borrowing for investment purposes and leverage via the use of derivatives is restricted to 100% of NAV. The Scheme's exposure relating to derivative instruments is calculated taking into account:
- (i) the current value of the underlying asset;
  - (ii) the counterparty risk;
  - (iii) future market movements; and
  - (iv) the time available to liquidate positions.
- The Scheme's exposure relating to borrowing for investment purposes is the amount so borrowed.
- 1.41 The Manager or the Scheme shall take all reasonable steps to comply with the investment policies and restrictions of the Scheme. The Custodian shall supervise the operation of the Scheme to ensure that the Manager complies with the investment policies and restrictions of the Scheme.
- 1.42 Where the Scheme has been set up as a Feeder Fund, the underlying fund shall satisfy the leverage restrictions applicable to the Scheme.
- 1.43 Where the Scheme has been set up as a Fund of Hedge Funds, the Scheme shall invest in at least five different hedge funds to ensure the necessary diversification.
- 1.44 Changes to the investment policies and restrictions of the Scheme shall be notified to investors in advance of the change.
- 1.45 Changes to the investment objectives of the Scheme shall be notified to investors in advance of the change. The notice period should be sufficiently

long to allow for redemption requests to be submitted by investors and processed prior to the change being effected. The change in the investment objectives should only become effective after all pending redemptions linked to the change in the investment objectives have been satisfied. Any applicable redemption fees would also need to be waived accordingly.

1.46 The following shall be the rules applicable in the event of an inadvertent breach of investment restrictions:

- (i) if one or more of the Scheme's investment restrictions are at any time contravened for reasons beyond the control of the Manager or the Scheme, the Manager or the Scheme must take such steps as are necessary to ensure a restoration of compliance with such restriction(s) as soon as is reasonably practicable having regard to the interests of the unit-holders and, in any event, within the period of six months beginning on the date of discovery of the contravention of such restriction(s).

The above is aimed at addressing circumstances which may arise following acquisition of the Scheme's assets and include market price movements of the Scheme's underlying assets or market illiquidity. The above is without prejudice to the duty of the Manager and the Scheme to comply with the Scheme's investment restrictions and to ensure that such restrictions are not contravened as a direct result of any acquisition of its underlying assets.

- (ii) a contravention of an investment restriction which may arise due to the circumstances outlined in (i) above shall not be considered as a breach of a licence condition and will therefore not be subject to MFSA's notification requirements. However, where the contravention is not remedied by the Manager or Scheme within the maximum six month period stipulated in (i) above, a breach of this Licence Condition is deemed to arise and the relevant notification requirements will apply.

1.46A Without prejudice to SLC 1.46, in the case of an advertent breach, the Scheme shall be subject to provision of SLC 1.98A of this Part of the Rules.

**Investment Objectives, Policies and Restrictions applicable to Licence Holders whose application to MFSA in terms of article 5 of the Act was submitted after 31/12/2009**

- 1.47 The Scheme shall be subject to the investment objectives, policies and restrictions outlined in its Offering Document. The Manager or the Scheme shall take all reasonable steps to comply with the investment policies and restrictions of the Scheme. The Custodian shall supervise the operation of the Scheme to ensure that the Manager complies with the investment policies and restrictions of the Scheme.
- 1.48 The Scheme shall comply with the investment restrictions within six months from the launch of the Scheme or upon reaching a value equivalent to EUR 2,500,000 or its currency equivalent, whichever is sooner. However, the Scheme, provided it considers this to be in the best interest of its shareholders and that it observes the principle of risk spreading, will not be required to comply with its investment restrictions upon reaching a value equivalent to EUR2,500,000 or its currency equivalent subject to it complying with such restrictions within a maximum of six months from launch.
- 1.49 A Scheme may only enter into repurchase/reverse repurchase and stock lending or borrowing agreements:
- (i) when in the opinion of the Scheme or its Manager, the entering into such agreements by the Scheme is appropriate and in the interest of investors in the Scheme, and entails an acceptable level of risk; and
  - (ii) in accordance with good market practice, which involves the provision of adequate collateral in accordance with good market practice to the satisfaction of the Scheme or its Manager.
- 1.50 Investment by the Scheme in Financial Derivative Instruments as part of its investment policy in order to obtain exposure to underlying assets shall be without prejudice to the limits set out in these Rules which apply in the case of direct investments in such underlying assets. The exposure to the underlying assets should be calculated using the Commitment Approach indicated in Section 13 of Part BII of the Investment Services Rules for Retail Collective Investment Schemes.
- 1.51 Direct borrowing for investment purposes and leverage via the use of derivatives is restricted to 100% of NAV. The Scheme's exposure relating to derivative instruments is calculated taking into account:

- (i) the current value of the underlying asset;
- (ii) the counterparty risk;
- (iii) future market movements; and
- (iv) the time available to liquidate positions

The Scheme's exposure relating to borrowing for investment purposes is the amount so borrowed.

The assessment of the Scheme's global exposure to derivative instruments should be assessed on the basis of the Value at Risk Approach or the Commitment Approach as set out in Section 13 of Part BII of the Investment Services Rules for Retail Collective Investment Schemes.

- 1.52 The Manager or the Scheme, where this is self-managed, must take reasonable steps to ensure that the Scheme is managed according to the risk spreading principle. In particular, the Scheme shall be required to adhere to the diversification requirements prescribed below. In the case of a Scheme investing in alternative assets, the MFSA may impose tailored investment restrictions. Such Scheme may utilise SPVs subject to the conditions set out in [Appendix I](#) and subject to such other conditions as the MFSA may consider appropriate, taking into account the nature of the underlying assets and their proposed custody arrangements.
- 1.53 The Scheme may invest up to 20% of its total assets in securities issued by the same body and up to 30% of its assets in money market instruments issued by the same body provided that:
- (i) the 20% / 30% limit set out above may be increased to a maximum of 100% in the case of securities and money market instruments issued or guaranteed by an OECD or EU/ EEA Member State, its local authorities or public international bodies of which one or more such States are members;
  - (ii) the 20% / 30% limit set out above may be increased to a maximum of 35% in the case of securities and money market instruments guaranteed by a credit institution authorised in the EEA or which is subject to equivalent prudential requirements;
  - (iii) the 20% limit set out above may be increased up to a maximum of 30% in the case of transferable securities traded in or dealt on a regulated

market which operates regularly, is recognised and is open to the public.

- 1.54 The Scheme may invest up to a maximum of 35% of its total assets in deposits held with a single body.
- 1.55 The Scheme is not subject to any investment restrictions with respect to investments in a single collective investment scheme provided that the underlying scheme is a UCITS or other open ended collective investment scheme subject to risk spreading requirements which are at least comparable to those applicable to the Scheme itself.
- 1.56 The Scheme may invest up to a maximum of 30% of its total assets in any single collective investment scheme which does not satisfy the conditions indicated in SLC 1.54 above.
- 1.57 Where the Scheme is a fund of hedge funds it shall invest in at least five hedge funds.
- 1.58 Where the Scheme enters into OTC derivative transactions, it shall ensure that its exposure to a single counterparty is limited to 20% of its total assets.

The exposure to one counterparty in an OTC derivative transaction may be reduced where the counterparty provides the scheme with acceptable collateral in accordance with good market practice to the satisfaction of the Scheme or its Manager.

The exposure per counterparty of an OTC derivative should not be measured on the basis of the notional value of the OTC derivative, but on the maximum potential loss incurred by the Scheme if the counterparty defaults.

The Scheme may net the mark-to-market value of its OTC derivative positions with the same counterparty, thus reducing the Scheme's exposure to its counterparty, provided that the Scheme has a contractual netting agreement with its counterparty which creates a single legal obligation such that, in the event of the counterparty's failure to perform owing to default, bankruptcy, liquidation or any similar circumstance, the Scheme would have a claim to receive or an obligation to pay only the net sum of the positive and negative mark-to-market values of included individual transactions.

- 1.59 The Scheme shall limit its aggregate maximum exposure (through securities, money market instrument, deposits and OTC derivatives transactions) to a single issuer/ counterparty to 40% of its total assets.

- 1.60 Where the Scheme has been set up as a Feeder Fund, the underlying fund shall satisfy the leverage restrictions applicable to the Scheme.
- 1.61 Changes to the investment policies and restrictions of the Scheme shall be notified to investors in advance of the change.
- 1.62 Changes to the investment objectives of the Scheme shall be notified to investors in advance of the change. The notice period should be sufficiently long to allow for redemption requests to be submitted by investors and processed prior to the change being effected. The change in the investment objectives should only become effective after all pending redemptions linked to the change in the investment objectives have been satisfied. Any applicable redemption fees would also need to be waived accordingly.
- 1.63 The following shall be the rules applicable in the event of an inadvertent breach of investment restrictions:
- (i) if one or more of the Scheme's investment restrictions are at any time contravened for reasons beyond the control of the Manager or the Scheme, the Manager or the Scheme must take such steps as are necessary to ensure a restoration of compliance with such restriction(s) as soon as is reasonably practicable having regard to the interests of the unit-holders and, in any event, within the period of six months beginning on the date of discovery of the contravention of such restriction(s).

The above is aimed at addressing circumstances which may arise following acquisition of the Scheme's assets and include market price movements of the Scheme's underlying assets or market illiquidity. The above is without prejudice to the duty of the Manager and the Scheme to comply with the Scheme's investment restrictions and to ensure that such restrictions are not contravened as a direct result of any acquisition of its underlying assets.

- (ii) a contravention of an investment restriction which may arise due to the circumstances outlined in (i) above shall not be considered as a breach of a licence condition and will therefore not be subject to MFSA's notification requirements. However, where the contravention is not remedied by the Manager or Scheme within the maximum six month period stipulated in (i) above, a breach of this Licence Condition is deemed to arise and the relevant notification requirements will apply.

### **Supplementary Conditions for PIFs investing directly or indirectly in immovable property**

*(Please refer also to MFSA's Property Fund Policy found on the MFSA Website ([www.mfsa.com.mt](http://www.mfsa.com.mt)) in the Section entitled Securities/Collective Investment Schemes/Circulars/2007).*

- 1.64 The Scheme may invest up to a maximum of 25% of its total assets directly or indirectly (through an SPV) in any one single immovable property. Subject to the Scheme being operated according to the risk-spreading principle, it will not be required to comply with this restriction before three years from its launch. For the purposes of this restriction, a property whose economic viability is linked to another property is not considered as a separate item of property for this purpose.
- 1.65 Where the Scheme invests solely in immovable property (rather than also in property funds and/or other securities), it should be exposed to not less than 5 different properties.
- 1.66 The Scheme may invest 100% of its total assets in any single property fund provided that such fund complies with the investment, borrowing and leverage conditions applicable to PIFs targeted at Experienced Investors, established as property funds and which are set out in these Rules and in MFSA's Property Fund Policy.
- 1.67 The Scheme may invest up to 100% of its assets in a Special Purpose Vehicle provided that the applicable investment, borrowing and leverage restrictions are satisfied at the level of Special Purpose Vehicle.

### **Supplementary Conditions for PIFs engaged in foreign currency lending**

- 1.68 The Scheme shall, in as far as these may be applicable to any foreign currency lending which it may carry out, abide by the high level principles on foreign currency lending as outlined in MFSA Rule 1 of 2012 on foreign currency lending, which is modelled on the Recommendation of the European Systemic Risk Board on lending in foreign currencies (ESRB/2011/1).
- 1.69 Foreign currency lending means lending in any currency other than the legal tender of the country in which the borrower is domiciled. This includes situations where the Euro is the foreign currency due to the borrower's domicile being outside the euro zone.

- 1.70 When the Scheme has engaged in any form of foreign currency lending during the period under review, it shall submit a confirmation to this effect together with its annual report. Any foreign currency lending activity shall be indicated as a percentage of the scheme's total NAV. A Scheme which has not carried out any foreign currency lending during the period under review is not required to submit a 'nil' return.

### **Offering Document**

- 1.71 The Scheme shall publish an Offering Document, which shall be dated and the essential elements of which shall be kept up to date. The Offering Document shall be offered to investors free of charge before they become committed to investing.
- 1.72 The Offering Document shall contain sufficient information for investors to make an informed judgement about the investment proposed to them and shall contain at least the information listed in [Appendix II](#).
- 1.73 The Scheme shall approve the Offering Document including any amendments thereto, and confirm its approval to MFSA.
- 1.74 The Offering Document and any amendments thereto shall be sent to and agreed with the MFSA before publication. The Scheme must submit a copy of its approval of the Offering Document, when this is submitted for MFSA's approval.
- 1.75 Where the Scheme is in the form of an investment company or limited partnership and makes an offer of securities to the public, it shall lodge a signed copy of the Offering Document with the Registrar of Companies. A Scheme in the form of a unit trust or a common contractual fund shall lodge a copy of the Offering Document with MFSA's Securities Unit. The Securities Unit will pass on the documentation to the Registrar of Companies who will make the necessary arrangements to retain the documentation in an appropriate file for public access.

### **Constitutional Document**

- 1.76 Any changes to the Constitutional Document of the Scheme must be approved by the MFSA in advance of implementation.

## Promotion

- 1.77 The Manager and/or any appointed intermediary may only promote the Scheme to Experienced Investors. In the event of active promotion of the Scheme through the use of mass media advertising, investment advertisements should clearly indicate that the Scheme is not available for investment by the general public but is only available for investors satisfying the applicable Experienced Investor criteria set out in the Scheme's Offering Document. The Scheme, its Manager or Administrator may in turn only accept subscriptions from Experienced Investors.
- 1.78 The promotion of the Scheme is subject to Section 11 of the Act, and to the requirements of Section 3 of Part BI of the Investment Services Rules for Investment Services Providers as more fully explained in the relevant Guidance Notes issued by the MFSA.
- 1.79 The Scheme may only be promoted in jurisdictions outside Malta if it satisfies the relevant rules of such jurisdictions.
- 1.80 All publicity comprising an invitation to purchase Units in the Scheme shall be approved by the Compliance Officer. All promotional material issued by the Scheme shall indicate that an Offering Document exists and the places where it, and any documents updating it, may be obtained.

## Minimum Entry Levels

- 1.81 The minimum investment which the Scheme may accept is EUR 10,000 or its currency equivalent or (for Schemes having applied for a licence prior 1/1/2010) EUR15,000 or its currency equivalent. Once the minimum investment has been made, any additional amount may be invested but the total amount invested must not at any time be less than EUR10,000/EUR15,000 or its currency equivalent as applicable unless this is the result of a fall in the net asset value. In the case of an umbrella Scheme where each of the Sub-Funds is set up as a Professional Investor Fund, the EUR 10,000/EUR15,000 or its currency equivalent threshold may apply on a per scheme basis rather than on a per Sub-Fund basis.

## **Experienced Investor Declaration Forms**

- 1.82 Before investing in the Scheme, investors must sign the Declaration referred to in [Appendix III](#) stating that they qualify as “Experienced Investors” and that they have read and understood the risk warnings in the Offering Document. In the case of joint holders, all holders should individually qualify as “Experienced Investors”. The Scheme may rely upon the declaration provided by the investor in the absence of information to the contrary.
